

MAY 2018 SAME PROFESSIONAL SERVICE

On May 1st, Lifecycle To Recovery will merge with Genesis A New Beginning. The same professional services that Harold Lilly has provided this community for 24 years will continue within the relationship of Genesis A New Beginning. In addition to the current services provided by Lifecycle To Recovery, Genesis A New Beginning will be adding expanded comprehensive services for Randolph County residents. Genesis A New Beginning has been providing behavioral healthcare services in Rowan, Cabarrus and Mecklenburg county for 15 years and has earned the reputation as a leader in the field.

Terry & Donna Wise are the co-founders of Genesis A New Beginning. In June we will celebrate 38 wonderful years of marriage. We have two children, six grandchildren and the greatest dog in the world, Molly! We have a passion to help others achieve a new beginning in their lives. We look forward to blending our services with Lifecycle To Recovery and serve the Randolph County residents.

Thank you for the welcome we have already received from many of you. We hope to meet each of you soon. *Terry & Donna*
