

Board meetings are conducted for the purpose of carrying on the official business of the school district. The public is cordially invited to attend board meetings to observe the board as it conducts its official business.

The board of education, as an elected representative body of the school district, also wishes to provide a forum for citizens to express interests and concerns related to the school district. To provide an opportunity for input while conducting an orderly meeting, individuals or groups may be heard by the board in accordance with this policy or policy 2300, section D, paragraph 2, which addresses public hearings.

REQUESTS TO PLACE ITEM ON THE AGENDA

In order that the board may fairly and adequately discharge its overall responsibility, citizens desiring an item to be placed on the agenda for a specific board meeting should direct written requests to the superintendent at least six working days prior to the meeting.

The request should include:

- the name and address of the person or persons making the request;
- the organization or group, if any, represented; and
- a brief explanation of the nature of the item. Questions and/or materials to be presented to the board are to be submitted along with the request. Additional items may be added to the agenda by the board on a two-thirds vote of the board members.

The superintendent will confer with the chairperson of the board concerning whether to approve placing the requested item on the agenda, and to determine the appropriate meeting for such discussion.

The superintendent, with the consent of the board chairperson, will accept or deny a request for inclusion on the agenda for any reason determined appropriate by the superintendent and chairperson.

The superintendent will explain any other processes available for addressing the concerns. (*See section below, Reports of Complaints.*)

The superintendent will notify the requesting party of the response to the request. The board may, by majority vote and notwithstanding prior denial by the superintendent, consent to hear a presentation where the appeal to speak is made immediately prior to or during the course of the meeting.

The chairperson will establish the amount of time for individual or group presentations.

REQUESTS TO ADDRESS THE BOARD

A part of each meeting will be set aside for citizens to address the board. A sign-up sheet will be available for any individual or group to indicate their desire to address the board. The chairperson will decide the time devoted to public comments.

Board members need not respond to individuals who address the board except to request clarification of points made by the presenter.

Except in cases of emergency, information received during presentations will not be acted upon at the time it is received. It will take unanimous vote of the board members present to take action on a presentation considered to be of an unusual or emergency nature at the time it is presented.

Disruptions by any person or persons of a public meeting will be subject to action in accordance with G.S. 143-318.17.

REPORTS OF COMPLAINTS

Complaints about the performance of school personnel, implementation of board policy, the quality of the educational program or school facilities should be submitted initially for a response to the school district official responsible for the program or facility or to the superintendent. The superintendent or designee will make available this board policy and other relevant grievance procedures to any individual or group submitting a complaint.
