**Board Spotlight:**

Tonight's Board Spotlight will be presented by Mrs. Jusmar Maness, principal at Balfour Elementary School. Mrs. Maness is excited to tell you about the Dual Language Immersion Program at Balfour Elementary School. Please welcome Mrs. Maness.

**Community Partner Spotlight:**

Tonight's Community Partner Spotlight will recognize Mr. and Mrs. Perez of Tienda Mexicana Los Potrillos. Last summer, a partnership between Randolph Public Library, Tienda Mexicana Los Potrillos, and First Baptist Church of Randleman gifted books to students at Lakeview Apartments once a week. Organizers of the free book giveaway knew they could reach more than 150 Balfour Elementary students at Lakeview Apartments. Tienda Mexicana Los Potrillos allowed students, families, and the community to use their parking lot, which served as a safe location where free books were given to those who participated. The store even helped in the marketing efforts of the free book giveaway by promoting to their patrons who visited the store. Owners of Tienda Mexicana Los Potrillos, Mr. and Mrs. Perez, as well as their employees, continually welcomed Balfour families and our community partners throughout the summer. The teachers, administrators, and students from Balfour Elementary would like to publicly recognize Mr. and Mrs. Perez, and the employees of Tienda Mexicana Los Potrillos for their warm support of last summer's free book giveaway program. Please join me in welcoming Mr. and Mrs. Perez.

To: Ms. Candace Call, Principal, North Asheboro Middle School (NAMS)  
Cc: Dr. Terry Worrell, Superintendent, Asheboro City Schools (ACS)  
The Asheboro City Schools Board of Education  
From: Clyde Ward and 8<sup>th</sup> grade teachers, North Asheboro Middle School  
Re: NAMS 8<sup>th</sup> grade Field Trip to Washington DC, March 2017

The teachers and students of the 8<sup>th</sup> grade class of North Asheboro Middle School request permission to travel to Washington, DC in March 2017.

Proposal:

The students will travel to Washington, DC via motor coaches secured through the ACS Board – approved company, Holiday Tours. The length of the stay will be two nights and two days. Students will depart immediately after school on Wednesday, March 22 and return by 7:30 p.m. on Friday, March 24, 2017.

The trip will be contracted through Group Travel, LLC of Hickory. Accommodations will be a 3 or 4 star hotel in Virginia. Rooms will be reserved with 4 students per room. Lodging in Virginia provides a more economical and affordable trip, which in turn provides opportunity for more students to participate.

While in Washington, DC students will have the opportunity to see many of the monuments, museums, historical sites, and Arlington National Cemetery. A copy of the itinerary is attached.

Student safety is top priority in planning and the application of the trip. Students will have a travel buddy they will stay with for the entire trip. Students will be assigned a chaperone that will be with their same group throughout the trip. Our #1 rule is: Never Be Alone. Students will be made aware of the trip safety rules, expectations, and consequences. Students and parents will be made aware of behavior expectations, including dress code and curfew rules. There will be a security guard on duty on both the boys' and the girls' halls each night at the hotel.

Financial Considerations:

The cost will be \$450.00 per student. This includes entry to all the sites and museums we visit in Washington, all meals, lodging, and transportation. Meal allotments and locations are listed on the attached itinerary. All student meals are provided with the cost of the trip.

Other expenses which the student might incur will be spending money for souvenirs and snacks. A non-refundable deposit of \$125.00 will be required of each student participating in the trip. This amount secures tickets to the Holocaust Museum, the tour buses, etc. The remaining cost will be paid in installments. Students will be offered the opportunity to participate in a Krispy Kreme fundraiser which will be exclusively for the Washington DC field trip. We also have community member and scholarship sponsors.

Policies  
For  
30-Day Review

The board is committed to using its authority to purchase goods and services in a manner most likely to help students succeed. The board, superintendent and any other employees authorized to participate in purchasing decisions or the purchasing process will strive to meet the following goals:

1. obtaining the maximum benefits from all school district monies and furthering the educational goals of the board;
2. conducting all purchasing activities according to applicable laws, rules and regulations, good purchasing practices and ethical principles;
3. providing a climate of fair and open competition for all qualified vendors;
4. requiring satisfactory and proper performance of all contractual obligations of vendors; and
5. providing prompt and courteous service to other school system personnel, other governmental entities and vendors.

Adopted: May 14, 1998 to become effective July 1, 1998

Administrative Procedure: None

The superintendent shall organize the purchasing function in a manner intended to meet the purchasing goals of the board. The purchasing function includes the following responsibilities:

1. making purchases for all departments in accordance with applicable laws and regulations, including the requirements of the State Division of Purchase and Contract when applicable, board policy, the superintendent's directives, good purchasing practices, and ethical principles;
2. establishing and enforcing a system for approving and accounting for purchases;
3. maintaining appropriate records on price quotations of supplies most frequently purchased;
4. maintaining other supplemental data to assist in making purchases at the most economical prices possible;
5. maintaining NC E-Procurement compliance and making purchases through the E-Procurement Service to the extent appropriate to maximize savings and efficiency in the purchasing function;
6. establishing a practical degree of standardization of equipment, supplies, and materials with sufficient flexibility to meet unique needs of schools and departments;
7. operating a central inventory warehouse;
8. supervising the receiving of all materials, including establishing procedures to ensure received goods are properly inspected, counted, and documented;
9. maintaining lists of potential bidders for various types of materials, equipment, and supplies;
10. providing information regarding bidding opportunities to vendors;
11. providing information and service to schools and departments that wish to make purchases; and
12. maintaining current information on all applicable laws, regulations, board policies, and administrative procedures.

Adopted: May 14, 1998 to become effective July 1, 1998

Updated: August 13, 2015

The board is the sole agency authorized to execute formal contracts between the school district and any firm or person offering to provide materials, equipment or services to the school district. Creditors are on notice that the board may choose not to honor contracts made without proper authorization by designated school or school district officials.

**A. AUTHORIZATION TO ENTER INTO CONTRACTS**

No contract requiring the expenditure of funds may be agreed upon unless the budget resolution adopted pursuant to board policy 8110, Budget Resolution, authorizes the expense and there is a sufficient unencumbered balance to pay the amount to be disbursed. (See policy 6421, Pre-Audit Certification.) No contract may be entered into with a person or entity that is on the state treasurer's Final Divestment List or Iran Parent and Subsidiary Guidance list, except as permitted by G.S. 147, art. 6E.

Unless otherwise prohibited by statute or regulation, the Superintendent or Finance Officer is authorized to enter into contracts or approve change orders.

To provide greater flexibility at the school level, the superintendent also may establish circumstances in which principals may enter contracts involving amounts up to \$500.00. The superintendent, with appropriate involvement of the finance officer, will establish any procedures necessary to ensure fiscal accountability and reporting by principals who enter into contracts.

**B. CONTRACT FORMS**

The board attorney shall review any contract forms developed for use by a school or the school system.

**C. LEASE PURCHASE CONTRACTS**

The finance officer must approve any request to enter lease purchase contracts as authorized by G.S. 115C-528, regardless of dollar amount. After considering the principal and amount of interest, the superintendent must determine that the lease purchase is a fiscally prudent choice that is consistent with board policy.

The finance officer shall provide the board with periodic reports on lease purchase contracts, including the amount of the principal, interest paid and the amount of the outstanding obligation.

**D. OTHER APPLICABLE POLICIES AND LAWS**

Purchases may be made through the State Division of Purchase and Contract in accordance with the Division's rules and regulations, as authorized by G.S. 115C-522.

All contracts involving construction or repair work or purchase of apparatus, supplies, materials or equipment must be undertaken in compliance with Chapter 143 of the North Carolina General Statutes, except as provided elsewhere by state law. Contracts must also comply with applicable board policies.

All contracts subject to the E-Verify requirement will contain a provision stating that the contractor and the contractor's subcontractors must comply with the requirements of Article 2 of Chapter 64 of the General Statutes.

Adopted: May 14, 1998 to become effective July 1, 1998

Administrative Procedure: None

Revised: January 11, 2007, May 9, 2013

Except as otherwise provided by law, no obligation may be incurred by the school district unless the budget resolution includes an appropriation authorizing the obligation and an unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year.

If an obligation is reduced to a written contract or written agreement requiring the payment of money or is evidenced by a purchase order; for supplies and materials, the written contract, agreement, or purchase order will include on its face a certificate stating that the instrument has been preaudited to assure compliance with state law. The finance officer shall sign the certificate, which will take substantially the following form:

This instrument has been preaudited in the manner required by the School Budget and Fiscal Control Act.

*(signature of finance officer)* \_\_\_\_\_ *(date)*\_\_\_\_\_.

No pre-audit certificate is required for (1) an obligation, or a document related to the obligation, that has been approved by the Local Government Commission; (2) payroll expenditures, including employee benefits; or (3) electronic payments, upon adoption of and in compliance with rules adopted by the Local Government Commission.

An obligation incurred in violation of the requirements of state law as specified in this policy is invalid and may not be enforced. The finance officer will establish procedures in accordance with any rules adopted by the Local Government Commission to assure compliance with statutory requirements and this policy.

# STATE PURCHASING REQUIREMENTS FOR EQUIPMENT, MATERIALS, AND SUPPLIES

Policy Code:

6430

All purchases of apparatus, supplies, materials, and equipment will be made in accordance with all applicable laws and regulations, including Chapter 143, Article 8, of the North Carolina General Statutes, board policy, and school system purchasing procedures. Purchasing contracts subject to the E-Verify requirement will contain a provision stating that the contractor and contractor's subcontractors must comply with the requirements of G.S. Chapter 64, Article 2. For purchases and contracts valued at \$1,000 or more, the board will require each bidder or vendor to certify that it is not listed on the state treasurer's Final Divestment List or Iran Parent and Subsidiary Guidance list, as required by G.S. 143C, Article 6A, and that it will not engage subcontractors who are on either list. All employees involved in purchasing must be familiar with applicable requirements.

The finance officer or designee shall ensure that written specifications for desired products are descriptive and clear and incorporate the quality requirements and service needs of the school system. There is no minimum number of bids, proposals, or quotes required for the purchase of apparatus, supplies, materials, and equipment (whether formally or informally bid); however, the board encourages the finance officer or designee to obtain at least two (2) bids, proposals, or quotes when feasible.

Except as otherwise required by law or specified by the board, the board delegates to the superintendent or finance officer the authority to award contracts for the purchase of apparatus, equipment, materials, and supplied. The finance officer or designee and any additional staff deemed appropriate by the superintendent shall review submissions of bids, proposals, or quotes to determine if they are responsive to the system's specifications and will make recommendations to the superintendent or finance officer. The superintendent or finance officer may award the contract based upon such recommendations or will make a recommendation to the board for award of the contract by the board.

Apparatus, equipment, materials, and supplies must be purchased in accordance with the following requirements.

## **A. FORMAL BIDS (EQUAL TO OR MORE THAN \$90,000)**

The purchase of apparatus, supplies, materials, or equipment for expenditures equal to or more than \$90,000 must be secured through the competitive bid process governed by G.S. 143-129. The superintendent or finance officer is authorized to determine the best method for formally bidding a product or, as appropriate, utilizing one of the exceptions to formal bidding as provided below in Section E. The finance officer or designee shall oversee the use of any purchasing method and ensure that all state requirements are met, including advertisement, sealed bids, maintaining records, and public opening of bids. The board authorizes the use of newspaper advertisement, electronic advertisement, or both for formal bids; however, the superintendent has the authority to determine which method will be used for a specific purchase or categories of purchases.

Awards will be made to the lowest responsible bidder(s) whose bid or proposal meets the requirements and criteria set forth by the school system, taking into consideration quality, performance, and the time specified in the proposal for the performance of the contract. To be eligible for an award of a contract subject to G.S. 143-129, the contractor and its subcontractors, if any, must demonstrate compliance with all applicable provisions of G.S. Chapter 64, Article 2, including the responsibility to use E-Verify. All contracts awarded must be in writing.

The board permits the use of the following processes for contracts that require formal bidding.

1. Competitive Sealed Bids

A competitive sealed bid (or invitation to bid) may be used to request the cost of particular goods by providing detailed specifications in advance.

2. Reverse Auction

Pursuant to G.S. 143-129.9(a)(1), the school system may use reverse auctions as an alternative to sealed bid procedures. For purposes of this policy, “reverse auction” means a real-time purchasing process in which bidders compete to provide goods at the lowest selling price in an open and interactive environment. The superintendent or finance officer shall determine whether reverse auctions are appropriate for a specific purchase or category of purchases. To conduct a reverse auction, the finance officer may use a third party, may use the state’s electronic procurement system, or, if appropriate equipment is available, may conduct the auction using school system equipment.

3. Exceptions to Formal Bids

Any of the processes outlined below in Section E may be used in lieu of formal bidding, so long as all requirements of state law are met.

**B. INFORMAL BIDS (\$30,000 TO \$90,000)**

The purchase of apparatus, supplies, materials, or equipment for expenditures of at least \$30,000 but less than \$90,000 must be secured through the informal bidding process governed by G.S. 143-131. The superintendent or finance officer is authorized to determine the best method for securing informal bids on a product. The finance officer or designee shall oversee the use of any purchasing method and ensure that all state requirements are met, including maintaining records of all bids submitted. Awards will be made to the lowest responsible, responsive bidder(s) whose bid or proposal meets the requirements and criteria set forth by the school system, taking into consideration quality, performance, and the time specified in the proposal for the performance of the contract.

1. Competitive Sealed Bids

Informal bid requirements may be met by the use of sealed bids. The finance officer or designee may utilize the methods for formal competitive bids provided in section A or may determine other appropriate methods for soliciting sealed bids. The bid specifications must include the time, date, and place for opening bids. No advertisement for bids is necessary (unless the formal bid process is used); however, the finance officer or designee may advertise for bids as he or she deems appropriate.

2. Quotations

Informal bid requirements may be met by the solicitation of quotes from prospective vendors. Quotations may be solicited and submitted via telephone, fax, e-mail, or the North Carolina E-Procurement system. Telephone quotes must be placed in writing before a final contract will be awarded. Written quotations must be on the vendor's letterhead or an official quotation form.

3. Reverse Auction

A reverse auction may be used to solicit informal bids, consistent with the process provided in section A.2.

4. Exceptions to Informal Bids

Any of the processes outlined below in Section E may be used in lieu of informal bidding, so long as all requirements of state law are met.

**C. PURCHASES FOR LESS THAN \$30,000**

Purchases for apparatus, supplies, materials, and equipment costing less than \$30,000 will be awarded pursuant to the standards provided in policy 6440, Local Purchasing Requirements for Equipment, Materials, and Supplies.

**D. ELECTRONIC BIDDING**

Pursuant to G.S. 143-129.9(a)(2), the school system may receive bids electronically in addition to or instead of paper bids. If electronic bids are used for purchases that must be formally bid, procedures for receipt of electronic bids must be designed to ensure the security, authenticity, and confidentiality of the bids to at least the same extent as provided with paper bids. The superintendent or finance officer shall determine whether electronic bidding is appropriate for a specific purchase or category of purchases.

---

**E. EXCEPTIONS TO THE FORMAL AND INFORMAL BIDDING REQUIREMENTS**

The school system may utilize the following purchasing options instead of pursuing competitive bidding. Formal or informal bidding is not required if any of these processes are used. The finance officer or designee shall gather information to document the basis for the use of any exceptions to the competitive bidding requirements. The superintendent or finance officer will determine that using one of the following exceptions is appropriate for a specific purchase or group of purchases.

1. Purchases from Other Governmental Agencies

Pursuant to G.S. 143-129(e)(1), the school system may contract for the purchase, lease, or other acquisition of apparatus, supplies, materials, or equipment from any other federal, state, or local governmental agency.

2. Special Emergencies

Pursuant to G.S. 143-129(e)(2), competitive bidding is not required in cases of special emergencies involving the health and safety of people or their property. For an emergency to exist under the statute, the following factors must exist: (1) the emergency is present, immediate, and existing; (2) the harm cannot be averted through temporary measures; and (3) the emergency was not self-created by the school system.

3. Competitive Group Purchasing

Pursuant to G.S. 143-129(e)(3), the school system may make purchases through a competitive bidding group purchasing program, through which another entity uses a competitive process to establish contracts on behalf of multiple entities at discount prices.

4. State Term Contract

Pursuant to G.S. 143-129(e)(9), the school system may purchase products included in state term contracts with the state vendor for the price stipulated in the state contract, if the vendor is willing to extend to the school system the same or more favorable prices, terms, and conditions as established in the state contract.

5. Sole Source Items

Pursuant to G.S. 143-129(e)(6), upon approval of the board of education, the school system may purchase an item through a single or sole source contract under the following circumstances: (1) when performance or price competition is not available; (2) when a needed product is available from only one source of supply; or (3) when standardization or compatibility is the overriding consideration. When requesting a purchase under the sole source exception, the

---

finance officer or designee shall provide the board with documentation that justifies the use of the exception.

6. “Piggybacking” or Previously Bid Contracts

Pursuant to G.S. 143-129(g), upon approval of the board of education, the school system may purchase from any supplier that, within the previous 12 months, has contracted to furnish the needed item to the federal government, to any state government, or to any agency or political subdivision of the federal government or any state government. Before recommending a purchase using the piggybacking exception, the finance officer or designee shall ensure that the following requirements are met: (1) the price and other terms and conditions of the contract are at least as favorable as the prior contract; (2) the contract was entered into following a public, formal bidding process substantially similar to that required by North Carolina General Statutes; (3) the same vendor is used; and (4) notice of intent to award the contract without bidding is publicly advertised at least 10 days prior to the regularly-scheduled board meeting at which the contract will be approved. Before approving the contract, the board must determine that using the contract is in the best interest of the school system.

7. Purchases of Information Technology Goods and Services

Pursuant to G.S. 143-129(e)(7) and 143B-1324(b), the school system may purchase or lease information technology through contracts established by the Department of Information Technology. The finance officer or designee shall work with the information technology department to ensure that any such purchases meet the needs of the school system.

In addition, the school system also may purchase information technology goods and services by using a request for proposal (RFP) pursuant to G.S. 143-129.8, provided that the following requirements are met: (1) notice of the request is provided consistent with the formal bidding notice requirements and (2) contracts are awarded to the person or entity that submits the best overall proposal as determined by the superintendent and finance officer. The RFP should describe the scope of work, general terms and conditions, specifications of the product needed by the school system, and the application process. The information technology supervisor shall assist the finance officer or designee in reviewing the responsiveness of any RFP submitted pursuant to this subsection. RFPs will be evaluated using the “best value” method as defined in G.S. 143-135.9(a)(1) so that the system may select the most appropriate technological solution to meet the school system’s objectives. However, if the finance officer or designee considers the purchase to be highly complex or is unable to clearly determine what the optimal solution for the school system is, the “solution-based solicitation” or “government-vendor partnership” method may be used. The finance officer or designee may negotiate with the proposer to obtain a final contract that meets the best needs of the school system, so long as the alterations based on such

negotiations do not deprive proposers or potential proposers of the opportunity to compete for the contract and do not result in the award of the contract to a different person or entity than would have received it if the alterations had been included in the RFP.

8. Gasoline, Fuel, and Oil Purchases

Pursuant to G.S. 143-129(e)(5), the school system may purchase gasoline, fuel, and oil products without using formal competitive bidding. However, such purchases are subject to the informal bidding requirements provided above.

9. Used Products

Pursuant to G.S. 143-129(e)(10), the school system may purchase previously used apparatus, supplies, materials, or equipment without using formal competitive bidding. Before purchasing used products, the finance officer or designee shall ensure that the products are in good, usable condition and will be sufficient to meet the school system's needs for a reasonable period of time.

10. Published Materials

Pursuant to G.S. 115C-522(a), compliance with Article 8 of Chapter 143 of the General Statutes is not mandatory for the purchase of published books, manuscripts, maps, pamphlets, and periodicals. Such purchase shall be made in accordance with policy 6440, Local Purchasing Requirements for Equipment, Materials, and Supplies.

**F. LEASE PURCHASE CONTRACTS AND OTHER CONTRACTS FINANCED OVER TIME**

Lease purchase contracts, contracts that include options to purchase, and leases for the life of equipment all must be bid consistent with the requirements of G.S. 143-129 and 143-131. The finance officer shall ensure that such contracts meet the legal requirements and the provisions of policy 6420, Contracts with the Board.

**G. USE OF SCHOOL SYSTEM TERM CONTRACTS**

The school system may create and use term contracts for items that are routinely purchased by the school system. If the estimated expenditure for a routine item under the term contract is equal to or exceeds \$90,000, the contract must be formally bid. If the estimated expenditure is at least \$30,000 but less than \$90,000, the contract must be informally bid. The finance officer or his designee may incorporate the use of a term contract in the bidding specifications. If term contracts are used, the contracts will be created and/or reviewed by the board attorney, in consultation with the finance officer or designee.

**H. HISTORICALLY UNDERUTILIZED BUSINESSES**

The board affirms the state's commitment to encouraging the participation of historically underutilized businesses in purchasing functions. The board will comply with all legal requirements and the standards in policy 6402, Participation by Historically Underutilized Businesses.

## **LOCAL PURCHASING REQUIREMENTS FOR EQUIPMENT, MATERIALS AND SUPPLIES**

*Policy Code:*

**6440**

---

All purchases of equipment, materials and supplies will be made in accordance with laws and regulations, including Chapter 143, Article 8, of the North Carolina General Statutes, board policy, and any school system purchasing procedures. For purchases and contracts valued at \$1,000 or more, the board will obtain certification from each bidder or vendor affirming that it is not listed on the state treasurer's "Final Divestment List," as required by G.S. 143C, Article 6A. All employees involved in purchasing must be familiar with these requirements.

When competitive bidding is not required, purchases should be made under conditions which foster competition among potential vendors. Purchase decisions should be made after considering price, quality, suitability for specified need, and timeliness of delivery and performance. The board will not enter into a contract with any supplier or contractor when performance on any previous contract has been found to be unsatisfactory by the superintendent or the board.

Records of all informal bids will be kept but will not be available for public inspection until the contract has been awarded. Such records should include the date the bid is received, from whom it is received, and for what item it is made.

The board desires to provide opportunities to responsible suppliers to do business with the school system. To this end, the superintendent or designee is directed to develop and maintain lists of potential vendors for the various types of materials, equipment and supplies. Such lists will be used in the development of a mailing list for distribution of specifications, invitations to bid, and notice of other competitive purchasing processes.

The superintendent or designee has the discretion to determine which vendors are included on the list and may establish standards for being placed on the list or for remaining on the list. The standards shall comply with the requirements of G.S. 143C, art. 6A. The superintendent is encouraged to include vendors listed as historically underutilized businesses with the Division of Purchase and Contracts at the State Department of Administration.

Services will be purchased in a manner consistent with the board's purchasing goals. Competitive bidding is not required for the purchase of services; however, contracts for services will be made under conditions which foster competition among potential providers when feasible and after careful pricing.

For all purchases and contracts valued at \$1,000 or more, the board will require the service provider to certify that it is not listed on the state treasurer's "Final Divestment List" or "Iran Parent and Subsidiary Guidance," as required by G.S. 143C, Article 6A, and that it will not engage subcontractors who are on either list.

## **GOALS OF EQUIPMENT, MATERIALS AND SUPPLIES SERVICES**

*Policy Code:* **6500**

---

Services for managing the school district's equipment, materials and supplies will be organized by the superintendent or designee and operated in a manner consistent with the following goals:

1. enhancing students' opportunity to learn;
2. utilizing technological advances and other improvement in equipment, materials and supplies to increase the effectiveness and efficiency of personnel;
3. obtaining uniformity in the equipment, materials and supplies used throughout the system to the extent that such uniformity promotes efficiency;
4. efficiently storing, maintaining and retrieving equipment, materials and supplies;
5. maximizing the useful life of equipment, materials and supplies;
6. extending the usefulness of equipment, materials and supplies through reuse;
7. using and disposing of property in an environmentally sound manner; and
8. providing prompt and courteous service to vendors, school system personnel and others who have a need to interact with the school system in regard to equipment, materials and supplies.

## **FISCAL GOALS**

*Policy Code:*

**8000**

---

The board is committed to obtaining, managing and using financial resources to further the goals of supporting a system of free public schools and to further the educational goals of the board and the State. All decisions regarding the use of financial resources will be consistent with the board's objective of providing all students with a sound basic education, as required by law.

**A. SELECTION AND EVALUATION**

The superintendent will select and the board will approve a school finance officer. The finance officer serves at the pleasure of the superintendent. The superintendent shall evaluate the finance officer to help ensure that all duties as required by law, board policy and/or the superintendent are met.

**B. DUTIES**

The school finance officer provides critical services for the effective planning and use of fiscal resources. The school finance officer shall be responsible to the superintendent for:

1. keeping the accounts of the school system in accordance with generally accepted principles of governmental accounting, board policy, the rules and regulations of the State Board of Education, and the rules and regulations of the Local Government Commission;
2. giving the preaudit and disbursements certificates required by G.S. 115C-441(a1) and (d1), respectively, and establishing procedures to assure compliance with the preaudit requirements;
3. approving or disapproving a disbursement, in accordance with G.S. 115C-441(b), when a bill, invoice, or other claim is presented and establishing procedures to assure compliance with all applicable legal requirements for disbursements;
4. signing and issuing all checks, drafts and state warrants by the school system;
5. investing the cash balance of any funds, subject to board policy 8110, Budget Resolution;
6. receiving and depositing all moneys accruing to the school system;
7. preparing and filing a statement of the financial condition of the school system as often as requested by the superintendent;
8. preparing and filing a statement of the financial condition of the school system when requested by the board of education or the board of county commissioners, but only if such requests are in writing and copied to the superintendent;
9. performing such other duties as may be assigned by law, by the superintendent, or by rules and regulations of the State Board of Education and the Local Government Commission;

10. submitting reports to the Secretary of the Local Government Commission as required by law;
11. receiving and accounting for all clear proceeds of fines, penalties and forfeitures and notifying the superintendent and board of such funds;
12. reviewing school improvement plans as they relate to the transfer of funds between funding allotments or lease purchase contracts;
13. evaluating all continuing contracts, including the principal and interest to be paid, and making recommendations to the superintendent and reports to the superintendent and board as provided in board policy 6425, Continuing Contracts;
14. assisting the superintendent in the development of the budget;
15. prescribing the form and detail of records maintained by the school treasurer;
16. making salary deductions as provided in policy 7620, Payroll Deductions;
17. maintaining custody of the facsimile signature device as provided in policy 8330, Facsimile Signatures; and
18. maintaining custody of insurance policy and programs as provided in policy 8340, Insurance.

#### **C. FIDELITY BOND**

The finance officer will carry a true accounting and faithful performance bond as provided in board policy 8530, Fidelity Bonds.

Legal References: G.S. 115C-105.25, -435, -436, -441, -442, -443, -445, -446, -448, -452, -528

Facility construction will be undertaken in accordance with the long range plan adopted by the board of education and the facility design approved by the board. Any repairs or renovations of school facilities should be undertaken in such a way as to minimize disruption of instructional time and the educational environment.

**A. QUALITY OF CONSTRUCTION**

Buildings should be constructed with durable materials that, when possible, permit space to be adapted to various purposes and to be adjusted to changes in technology or the educational program.

The board will not be involved in substandard construction. In the event of insufficient funding for a project, the board will defer parts of the long range plan.

**B. CHANGE ORDERS**

After a contract for construction or repair work has been awarded, the need may arise to amend the terms, conditions, or specifications of the contract. The contract may be amended by a change order, but change orders may not be used to evade bidding requirements.

When amendments to a contract are necessary, the contractor shall submit a proposed change order in writing to the superintendent or designee. Any request for expedited review must also be in writing and accompany the proposed change order.

Unless otherwise prohibited by statute or regulation, the superintendent or designee is authorized to approve or deny change orders. The superintendent shall report all such change order requests and whether they were approved or denied to the board at the next regular board meeting.

Policies  
For  
Approval

The board is guided by generally accepted standards of fairness in establishing processes for hearings before the board. Given the board's considerable responsibilities for overseeing the educational program and operations of the schools, the board also strives to be efficient in carrying out its various functions, including conducting hearings.

Unless other hearing processes are required by law or board policy, the following procedures will apply in board hearings. The board reserves the right to modify the procedures described in this policy as necessary in any particular hearing in order to be fair, efficient, meet legal requirements or for any other reason the board deems sufficient.

1. A hearing will be open to the public unless a closed session is permitted by law.

It is the express policy of the State and this board to make hearings open to the public except for certain purposes specified in the Open Meetings Law.

Grievance appeals pursuant to board policies 1740/4010 (Student and Parent Grievance Procedures) and 1750/7220 (Grievance Procedure for Employees) typically will be heard in closed sessions in order to present the disclosure of confidential information. Closed sessions will be conducted in accordance with board policy 2320, Compliance with the Open Meetings Law.

The board will consider requests made by a parent, student or employee to conduct a hearing in open session that is permitted by law to be held in closed session. However, the board will make the final determination of whether a hearing will be held in open or closed session.

2. The superintendent is responsible for providing sufficient notice of the time and place a hearing will be held and the nature of the hearing that will be available.

In order to resolve complaints expeditiously, board hearings will be scheduled as promptly as possible and notice given to the parties. The superintendent should provide as much notice as is feasible given the particular circumstances. The superintendent will provide a copy of this policy and, when possible, specify time limitations on the oral presentation if different from what is provided in number 5 of this policy.

3. Individual hearings will be held unless the board determines that a group hearing would be a more effective process for hearing and addressing the matter.

Where two or more individuals share the same or similar concern or are involved in the same matter to be heard by the board, the board may consider whether to conduct a group hearing. The board may consider factors such as generally accepted standards of fairness, the need for efficiency and the ability to prevent the disclosure of confidential

information. The board will consider requests for group or individual hearings and will make the final determination.

4. Unless otherwise required by law, the board may designate a panel of two or more board members to hear and act on behalf of the board.

The superintendent shall confer with the chairperson of the board to determine whether the full board or a panel of the board will conduct a hearing. The board also may establish a panel to hear certain types of appeals, such as student grievances.

5. All parties involved in the hearing may submit written position statements and will be given the opportunity for a limited oral presentation.

Written statements may be submitted at the hearing or in advance of the hearing unless otherwise specified. All parties will be given the opportunity to orally address the board as well. The board may establish time limitations for oral presentations for different types of hearings or may set the time limitation for a particular hearing. Unless a different time frame is established in the notice, applicable board policies or at the hearing, each party will be offered 15 minutes to present his or her position to the board.

6. The board may limit oral presentation to be made by the parties themselves: other witnesses may be excluded.

The board believes that in most instances, permitting the parties to speak before the board enables a fair presentation of the parties' positions. The board may designate types of hearings in which parties may or may not be represented by legal counsel. Any individual intending to be represented by legal counsel must notify the superintendent in advance of the hearing so that there will be an opportunity to clarify whether legal counsel may be used and to provide the superintendent and board with the opportunity to be represented by legal counsel. If necessary, the meeting may be rescheduled so that the board and/or superintendent can secure legal counsel for the hearing.

7. Legal rules of evidence do not apply to information considered by the board.

The board may consider any information that a reasonably prudent person would consider in conducting the serious affairs of a business.

8. In reviewing any appeal of a decision of school personnel, the board will determine whether the administrative record as a whole provides sufficient evidence to justify the decision of the superintendent. New evidence will not be permitted unless necessary to prevent a threat of substantial unfairness.

The board will review the administrative record, including any administrative proceedings, and will provide an opportunity for the superintendent and the party contesting the decision to a limited oral presentation of their positions. The submission of documentary evidence and presentation of additional witnesses will be allowed at the discretion of the board.

9. The superintendent is responsible for making a record of the hearing.

The superintendent will make any record required by law. At a minimum, the board record will incorporate the administrative record provided to the board for review and any written documents submitted by the parties. The record also will provide the decision of the board and the basis for the decision when such information is required or specified in law or board policy.

Reviewed by Policy Committee on August 9, 2012

The board believes that an effective testing and assessment program evaluates the progress of individual students and helps ensure that educational goals and objectives are being met for every child. A testing program also assists in the continued refinement of the instructional program. In addition, data from tests and assessments provide measures of student learning that are useful for evaluating educator effectiveness.

Every effort will be made to ensure that the testing program contributes to the learning process rather than detracts from it. Efforts also will be made to use only culture-free or culture-fair tests in order to ensure that measurements are reasonably accurate.

**A. ADMINISTRATION OF TESTS, SCREENINGS, AND OTHER ASSESSMENTS**

The superintendent shall provide for the proper administration of all state-required tests, screenings, and other assessments and any state-required remedial instruction and/or retesting in accordance with all requirements established by law or the State Board of Education.

Results from the North Carolina End of Course, End of Grade, and North Carolina Final Exams will be used in determining students' final grades in accordance with policy 3420, Student Promotion and Accountability.

The superintendent shall provide for the online administration of state-required tests to the extent required by the State Board of Education or the Department of Public Instruction, and otherwise as feasible within available resources. The superintendent shall keep the board informed of any resources or other measures needed to support online test administration.

Students may participate in field testing and other sample testing as designated by the State Board or the Department of Public Instruction.

The superintendent shall develop security and administration procedures for the state testing program and other assessments that are consistent with State Board of Education requirements and relevant law. The superintendent shall ensure that all relevant personnel are instructed in such procedures. All testing personnel, teachers, and school administrators are required to be familiar with and adhere to all applicable testing manuals, handbooks, and guides, including the Testing Code of Ethics, for state and locally-required Failure to follow procedures may result in disciplinary sanctions, including termination or revocation of administrative and/or teaching licenses.

**B. HIGH SCHOOL AND MIDDLE SCHOOL FINAL EXAMS AND END-OF-COURSE TESTING**

The End of Course (EOC), End of Grade (EOG) and North Carolina Final Exam results will count as twenty percent (20%) of a student's final grade in each middle school course for which such a test is administered. Middle school students requiring multiple final assessments, within a single subject, should have the assessments averaged for the final exam score. This requirement does not apply for students assessed on the Extended Content Standards.

The End of Course (EOC) assessment, North Carolina Final Exam and Career and Technical Education State Assessments results will count as twenty percent (20%) of a student's final grade in each high school course for which such a test is administered. This requirement does not apply for students following the Future Ready Occupational Course of Study (State Board of Education Policy GCS-C-003). All other high school courses are also required to administer a final exam which shall count as twenty percent (20%) of a student's final grade.

**C. MINIMIZING TIME SPENT TESTING**

The superintendent or designee shall ensure that the time students spend taking standardized state and local tests and the frequency of field testing at a particular school are minimized. Specifically, the superintendent shall ensure the following.

1. Schools will devote no more than two days of instructional time per year to the taking of practice tests that do not have the primary purpose of assessing current student learning.
2. Students will not be subject to field tests or national tests during the two-week period preceding their school's administration of end-of-grade tests, end-of-course tests, or regularly scheduled final exams.
3. No school will participate in more than two field tests at any one grade level during a school year.
4. All annual assessments of student achievement adopted by the State Board of Education pursuant to G.S. 115C-174.11(c)(1) and (3) and all final exams for courses will be administered within the final ten instructional days of the school year for year-long courses and within the final five instructional days of the semester for semester courses. Exceptions will be permitted to accommodate a student's individualized education program and Section 504 plans and for the administration of final exams for courses with national or international curricula required to be held at designated times.

All students will be issued the necessary textbooks for their course work free of charge. In an effort to reduce educational costs and to promote individual responsibility for public property, the board establishes the following requirements for this service:

1. Records will be kept on the condition of all textbooks, including the condition of the books at the time they are issued to students.
2. Instructional personnel will emphasize to students their responsibility to maintain materials in good condition.
3. Students who lose or fail to return issued textbooks will be charged the cost of the book before a replacement will be issued.
4. Students who return a book in such condition as to make it unusable for another student will be charged.
5. Parents or guardians will be notified of the student's responsibility in caring for textbooks properly and of the parents' or guardians' responsibility for paying for any textbooks which are lost or appreciably damaged.

The board is committed to making resource conservation an integral part of the school system's operation and to providing an example to students and the community of responsible stewardship of natural resources.

The superintendent is responsible for establishing programs that will help the school district meet the following board goals:

1. integrating the concept of resource conservation, including waste reduction and recycling, into the curriculum;
2. reducing the consumption of consumable materials whenever possible;
3. fully utilizing all materials prior to disposal;
4. minimizing the use of nonbiodegradable products whenever possible;
5. purchasing recycled products when financially viable; and
6. encouraging suppliers, both private and public, to make recyclable products and unbleached paper products available for purchase by public schools.

<p><b>Our School's Vision</b></p>	<p>Donna Lee Loflin Elementary will be a school of excellence that fosters lifelong learning and is dedicated to challenging all students to be successful 21<sup>st</sup> century citizens.</p>
<p><b>Our School's Mission</b></p>	<p>We will empower all students to be inquisitive learners and critical thinkers in order to reach their full potential. We will educate the whole child by demonstrating respect, inviting participation, and working collaboratively to foster creativity through the integration of the arts.</p>
<p><b>Core Beliefs</b></p>	<p>To lead us toward our vision and mission, our school community shares the following core beliefs:</p> <ul style="list-style-type: none"> <li>● We recognize the need to partner with families, who are a child's first and most important teacher.</li> <li>● All members of our learning community will demonstrate the importance of high expectations in teaching and learning.</li> <li>● Teachers and students will be actively engaged in the learning process, which will include higher-order thinking skills, problem-solving skills, and decision-making skills.</li> <li>● Teachers will create an environment that embraces individuality and encourages risk-taking in the learning process.</li> <li>● Our community will value diversity, demonstrating an understanding and appreciation of their own cultural heritage as well as that of others.</li> <li>● Our learning community will ensure that children and learning are the priorities for all decision-making.</li> <li>● We have made a commitment to integration of the arts as a key component of our teaching and learning at Donna Lee Loflin.</li> </ul>

**ACS Strategic Plan Goals**

- ✓ Prepared for further education, work, and citizenship.
- ✓ Personalized education
- Excellent Educators
- Up-to-date systems
- Healthy, safe, and responsible

**Strategic Plan Objective(s):**

★ GOAL 1 – Each student in Asheboro City Schools graduates prepared for further education, work, and citizenship.

GOAL 2 - Each student has a personalized education.

**Current Level of Performance:**

**2015-2016 Reading Proficiency**

Grade	Assessment	Proficiency
K	Composite/TRC	77% / 60%
1	Composite/TRC	51% / 59%
2	Composite/TRC	43% / 66%
3	Composite/EOG	38% / 39.7%
4	EOG	55.6%
5	EOG	31.4%

**Annual Goal 1: Reading**

**We will increase our K-2 mCLASS average Composite proficiency from 66% to 80%. We will increase our K-2 average TRC proficiency from 61% to 80%; 3rd grade Composite score from 38% to 80%; and 3-5 Reading EOG from 42.3% to 80% by strengthening our students' ability to decode, comprehend complex text with fluency and accuracy, and increase academic vocabulary.**

**Implementation Summary  
Reading Part I**

Loflin Elementary will ensure that students receive a minimum of 120 minutes of evidence-based balanced literacy instruction that aligns to North Carolina Standard Course of Study (including 60 minutes of guided reading, 30 minutes of direct instruction, and 30 minutes of word study).

**Action Steps:**

1. Vertical teams will regularly analyze the foundational standards in North Carolina’s Standard Course of Study (NCSCS) to ensure teachers are deepening their understanding of the depth and breadth in each standard.
2. K-3 teachers will utilize a systematic phonics-based methodology that follows an evidence-based scope and sequence during word study. (K-Letterland, K-3 Fountas & Pinnell)
3. Teams will ensure each direct word study lesson is followed up with small group teacher supported phonics/word study application center.
4. 4th and 5th grade teachers will provide daily direct word study lessons including word origins, word-problem solving strategies, and word application opportunities with direct fluency instruction based on the students’ needs
5. Teams will ensure direct vocabulary instruction using a gradual release of responsibility model (One Stop Word Shop and ExC-ELL)
6. Reading assistants and certified staff will provide intensive vocabulary intervention through evidence-based strategies to supplement classroom instruction.
7. Certified staff will meet weekly to analyze NCSCS standards and create assessments that reach the depth and breadth of the standards.
8. Grade Level CASA will meet weekly to analyze instruction based on common assessment, instruction, and/or progress monitoring.
9. Coaching support will be provided for teachers to personalize instruction in order to ensure student proficiency and mastery.

**Implementation Summary  
Reading Part II**

Loflin Elementary will ensure students are provided with targeted enrichment, maintenance remediation, and/or intervention during an intensive 30 minutes of targeted instruction (PAW time).

1. All teachers will administer universal screeners and frequent evidence-based assessments to all students to determine targeted needs based on strengths and skill deficits.
2. All teachers and staff will analyze common formative assessments to determine the given enrichment, maintenance, and/ or remediation.
3. All teachers will administer frequent DIBELS progress monitoring probes to monitor intervention success using realistic and aggressive “rate of growth” goals.
4. Instructional teams will set realistic measurable goals for each student using DIBELS and mCLASS data.
5. Staff will align coaching supports to student skill deficits and evidence-based interventions.
6. Reading assistants and certified staff will provide targeted, intensive, evidence-based interventions to supplement small group and whole group instruction.

**Implementation Summary  
 Science Part I**

Loflin Elementary will ensure 30-40 minutes of daily science instruction that includes integrating technology and close reading using a variety of nonfiction complex text to support an inquiry-based learning approach.

1. Teachers will ensure text selection ranges are within the grade level appropriate lexile band while providing scaffolding support allowing all students access to the curriculum.
2. Teachers will integrate technology with smart boards, ipads, and laptops using digital print, interactive apps, and websites that directly align to the NCSCS
3. Teachers will create inquiry lessons that integrate problem-based learning centered around posing a question, problem, or scenario.

School team representative will attend district level bi-annual PBIS meetings.	In-School coach/PBIS team leader, principal, or assistant principal	One meeting in the fall and one meeting in the spring	
Each PBIS team at the school level will complete an Implementation Inventory and submit to the central office.	In-School coach/PBIS team leader, principal, or assistant principal	By October 1, 2016	
Each PBIS team at the school level will complete the School Evaluation Tool and score 100%.	In-School coach/PBIS team leader, principal, or assistant principal	By June 1, 2017	

<b>Compliance Statements</b>		
<b>Healthy Active Children Policy</b>	1. Physical activity is not denied to any student as a means of discipline, nor is physical activity used as a form of punishment.	1. Students are not denied recess. Physical activity is promoted for healthful living.
	2. Each student in this school participates in an average of 150 minutes per week of physical activity and/or physical education.	2. Each student receives a minimum of 190 minutes of physical activity and/or physical education per week.
<b>Pledge of Allegiance</b>	3. Time is scheduled for school-wide recitation of the Pledge of Allegiance.	3. Teachers lead the students in the Pledge of Allegiance each day following the morning announcements.
	4. Flags of the United States and North Carolina are displayed in this school.	4. The US and NC flags are flown daily outside our school and in our school auditorium. US flags are on display in every classroom.
<b>Duty-free Lunch</b>	5. Every teacher must be provided a duty-free lunch period on a daily basis or as otherwise approved by the school improvement team.	5. Members of each grade-level team, on an alternating schedule, will provide coverage for teachers in a duty-free lunch period for that grade level.
<b>Duty-free Instructional Planning</b>	6. Every full-time assigned classroom teacher must be provided duty-free instructional planning time, with the goal of providing an average of at least five hours of planning time per week.	6. A minimum of 4.5 hours of duty-free planning time is provided to every classroom teacher each week.
<b>Redundant Reporting Requirements</b>	7. If the continuous improvement team identifies a more expeditious manner of providing information to the board that will eliminate a redundant or unnecessary reporting requirement for teachers at its school, the team may make a written request to the superintendent to eliminate the redundant or unnecessary report.	7. The School Improvement Team will submit any redundant reporting requirements to the superintendent and document their submission in the monthly minutes.

<b>Waiver Request</b>	
<b>The Waiver to be Requested</b>	<b>How the waiver will be used:</b>
1. To use state funds allocated for textbooks to purchase textbooks which are not on the state-approved textbook list, should the need present itself.	1. The textbook waiver would allow DLL Elementary to purchase materials supportive of school goals and to better meet student individual needs toward closing the achievement gap.
2. To waive the grade placement of teacher assistants allowing them to serve all students in the school according to (G.S. 115c-105.25.1)	2. To allow administration and staff at the school to determine placement of teacher assistants according to student needs.

### Teacher Survey

<b>Three or more areas of strength</b>	Immediate feedback, access to technology, and a culture of trust
<b>Three or more areas of possible improvement</b>	Interruptions during the instructional day, more planning time needed, and largest percentage of parent involvement
<b>Two significant findings</b>	Immediate feedback preferred and high request in promoting parent involvement to support students achievement.

### Student Survey

<b>Three or more areas of strength</b>	
<b>Three or more areas of possible improvement</b>	
<b>Two significant findings</b>	

### Parent Survey

<b>Three or more areas of strength</b>	Frequency with Connect 5 updates, caring staff, and informative newsletters.
<b>Three or more areas of possible improvement</b>	Requests for more field trips and less testing.
<b>Two significant findings</b>	Weekly newsletters and Connect 5 helped parents stay informed regularly.

## **BOARD OF EDUCATION GOALS 2016-2017**

### **STRATEGIC GOAL:**

Recognizing that the long range goal of Asheboro City Schools is the successful preparation and graduation of each student, the goal for this plan is: **By 2021, 100 percent of Asheboro City Schools' students will graduate globally competitive for college, careers, and citizenship.**

### **Goal 1. Each student in Asheboro City Schools graduates prepared for further education, work, and citizenship.**

**Objective 1.** Align instruction with a guaranteed and viable curriculum, so that students master grade/course standards for career and college readiness.

- a) Develop a plan to ensure a consistent and connected pacing guide, K-12.
  - Elementary pacing guides revised and completed for all content areas.
  - Secondary pacing guides revised and completed for all content areas.
- b) Provide a Collaboration Around Student Achievement (CASA) toolkit for principals.
- c) Create a district scorecard to reflect up-to-date data.
- d) Enhance monitoring of core instruction through professional development, walk-through data, and administrative leadership team meetings.
  - August 19 and 22, core content teachers and support teachers participated in professional development to unpack standards, align pacing and unit plans, increase rigor, and delve into strategies for identifying and addressing literacy deficits.

**Objective 2.** Define and implement consistent grading practices, so that students and families have a clear understanding of performance.

- a) Develop a plan to reinforce consistency in grading practices across all schools.

**Objective 3.** Enhance the integration of technology with instruction, so that students use digital resources as tools for learning.

- a) Develop and present a digital framework that reflects the multiple aspects of instruction in ACS.
- b) Use technology as a tool to provide access to resources and support student achievement.
  - The Canvas Learning Management System and Accelerated Reader have been refreshed with current students and course rosters for 2016-2017.
  - Computer-Based SRI (Scholastic Reading Inventory) tests are being administered for each K-8 student. The Scholastic Reading Inventory (SRI) is a criterion-referenced test intended to measure reading comprehension and match students to text so they can read with confidence and control. Results from SRI are reported as scale scores (Lexile® measures).

**Objective 4.** Establish transition plans for the district and individual students, so that each student makes continual progress towards graduation.

- a) Develop a process to design measurable transition plans for all students.
- b) Expand opportunities for students to earn college credits.

**Objective 5.** Expand opportunities for each student to utilize critical thinking, collaboration, communication, and creativity so that students develop skills necessary for further education and careers.

- a) Provide literacy opportunities for primary grade students to improve reading skills and meet grade level expectations by the end of third grade.
  - Each school is designing a school schedule for the 2016-17 school year that provides a minimum of 90 minutes for Core Literacy Instruction and a structured intervention time to support remediation of reading skill deficits.
- b) Expand summer literacy camps and after-school opportunities to provide the extra support students need to read on grade level.
  - Summer camps have been extended for students in grades K-3 in literacy. Read to Achieve (RtA) served first and second grade students this year. Camps were located in 4 of the 5 elementary schools. 213 students attended the RtA camp. We also had an ELL camp for Kindergarten through third grade students. 53 students attended the ELL camp.
  - Students had multiple opportunities to check out books from the public library and school media centers this summer and take AR tests and receive incentives for reading.
- c) Provide high quality, evidenced-based interventions for students. Develop interventions based on assessment data, teacher observations, and other tools.
  - Professional development for supporting diagnostic literacy assessments was provided to secondary staff on 8/22/16.
  - Professional development for utilizing literacy diagnostic data to plan instruction and intervention was provided to all elementary teachers on 8/22/16.

- Select teachers will participate in evidence-based literacy program trainings focusing on phonemic awareness and multi-sensory literacy instruction between August 15 and October 30, 2016, to strengthen teacher instructional and intervention practices.

**Objective 6.** Provide each student service learning opportunities, so that all students will further develop their citizenship and contribute to their community.

- a) Integrate character education, service learning, and civic engagement into our educational /instructional standards.
- b) Promote the use of service learning as an instructional tool and structure opportunities for teachers to create and evaluate integrated units of study through community service learning projects.

## **Goal 2. Each student has a personalized education.**

**Objective 1.** Implement a multi-tiered system of support (MTSS), so that all students are ensured equitable access to rigorous instruction aligned to their educational needs.

- a) District Multi-Tiered System of Support (MTSS) team module training and identify pilot schools for cohort one.
  - The District MTSS Implementation Team will participate in the first session of MTSS Module training with Cohort 3 on 9/21/16.
- b) Provide Instructional Success Plan (ISP) training and support to begin implementation for all schools and grade levels, focusing on literacy.
  - Administrators and elementary teams from each school received training on Instructional Success Plans on August 22<sup>nd</sup> and will implement plans focusing on literacy in the fall of 2016.

**Objective 2.** Increase the number of students who graduate with postsecondary credit, portable industry credentials, and work-based learning experiences, so that students are prepared for further education and/or employment.

- a) All students grades 7-8 will interact with Career Cruising to conduct an interest inventory to begin career exploration and individual career and course plans.
- b) Implement Early College Academy for ACS students in collaboration with Randolph Community College.
  - Teams from each elementary school received training on Instructional Success Plans on 8/22/16 to support implementation.
  - Teams will provide recommended forms and proposed timelines for initial implementation to the Curriculum and Instruction Department.
- c) Launch third Pathways to Prosperity Process with Randolph Community College and Randolph County Schools. Conduct Asset Mapping to determine high need area.

**Objective 3.** Increase number of STEAM (science, technology, engineering, arts, and math) and global education experiences for all students, so that students are globally competitive.

- a) Provide a variety of STEAM events at the district and school level.
  - Students attended STEM camps this summer through the following opportunities: Secondary students attended the STEM Camp at the AHS Zoo School and elementary students at Saint Luke's Church.
- b) Provide technology training as part of parent education offerings.

**Objective 4.** Expand opportunities for personalized learning and engagement during and beyond the regular school day, so that student needs are met and personal interests are encouraged.

- a) Explore and implement additional after school, summer opportunities that align with student interest and improve proficiency.
  - Students had opportunities to attend camps this summer that were aligned to their interests. Some camps were the City Camp at Balfour Elementary, STEM camps, literacy camps, health sciences camps... the Read to Achieve camps added a new component this year that allowed students to research and study topics that were of high interest for the students.
- b) Provide opportunities for Asheboro City Schools' students to participate in cultural exchange activities.
- c) Pilot dual language program at Balfour Elementary School.
- d) Create and evaluate integrated units of study that personalize student learning.

**Objective 5.** Cultivate partnerships with families and the community so that student learning *experiences are enhanced*.

- a) Develop and implement Family Engagement initiatives that are connected to student learning and build strong relationships with parents.
  - All schools trained in the Karen Mapp model of family engagement and are currently planning the first of three Academic Family Teacher Team meetings.

**Objective 6.** Expand opportunities for each student to experience the cultural arts, so that all students strengthen and develop their creativity and collaboration.

- a) Expand opportunities for students to experience cultural/ performing arts.

### **Goal 3. Each student has excellent educators every day.**

**Objective 1.** Recruit, develop, and retain high quality professionals, so that students continue to learn and grow.

- a) Research and evaluate the feasibility of hosting a local career fair.
- b) Implement TeacherMatch and the North Carolina new online application process.

- c) Evaluate the impact of attending specific college career fairs.
- d) Work with Asheboro High School administration to determine steps to re-launch a teacher cadet program.

**Objective 2.** Foster a culture of professional growth, so that all employees are supported in achieving high standards and increased student performance.

- a) Develop a school administrator leadership program.
- b) Complete a professional development needs assessment, which will result in a comprehensive professional development plan.
- c) Evaluate and summarize Collaboration Around Student Achievement team data to determine professional development needs.

**Objective 3.** Celebrate, recognize, and cultivate excellence in the profession, so that faculty and staff feel supported, valued, and successful in order to maximize their full potential.

- a) Research employee recognition programs and recommend new ways to celebrate and recognize staff.
- b) Communicate regularly regarding the services provided through Asheboro City Schools Employee Assistance Program provider.

#### **Goal 4. Asheboro City Schools will have up-to-date business, technology, and communication systems to serve its students, families and staff.**

**Objective 1:** Provide access and up-to-date training on the use of technology and communication systems, so that students, families, and/or staff can effectively use these resources to support student progress.

- a) Participate in Department of Public Instruction's Enterprise Resource Planning Systems software study.
- b) Document current telecommunication capabilities and needs.
- c) Develop implementation plan and budget for updated communications system.
- d) Conduct a needs assessment survey of students and families on home internet access.
- e) Communicate with city and local government to assess plans for community internet access.

**Objective 2:** Utilize technology-based collection systems for data analysis, so that data-based decisions are made about instruction, programs, and operations to ensure continuous improvement throughout the district.

- a) Deliver professional development for the Administrative Leadership Team and each school on the disaggregation and analysis of SchoolNet data generated through formative and benchmark assessments.

- SchoolNet data from the final benchmark of the 2015-2016 school year was disaggregated by standard for each school and shared with administrators in July and School Leadership Teams in August to support the EOG and EOC summative data analysis.
- b) Deliver professional development for administrators and each school on the effective use of EVAAS to support instruction.
- c) Update benchmark assessments and monitor alignment with the NC Standard Course of Study and state assessments.
- d) Provide additional professional development on the implementation of the Baldrige Performance Excellence Program.
- e) Implement district Long Range Facilities Plan and work with County Commissioners to secure funding to support the plan.
- f) Deliver professional development on the use of Canvas to support integration into instruction.
  - “Coffee & Canvas” Professional Development was presented to new and veteran teachers at Asheboro High School on August 24.

**Objective 3:** Develop and execute a comprehensive marketing plan, so that our community is informed about student outcomes, opportunities, quality educators, and the benefit of the district to the community.

- a) Continue to distribute a monthly community newsletter.
  - Newsletter is being sent on a monthly basis. The August newsletter is set to be sent the week of August 15.
- b) Develop a team and begin researching strategies for district marketing.
  - Members of the Marketing Team include: Maira Cortes, Carla Freemyer, Leigh Anna Marbert, and Andrew Hurley. No meeting with all members has occurred yet.
- c) Update the district website to better communicate with all stakeholders.
  - Facebook feed has been added to the front of the Asheboro City Schools website. The new logo should be added to the site within the next week.
- d) Develop materials featuring diverse programs throughout Asheboro City Schools for potential employee candidates.
- e) Integrate the new Asheboro City Schools logo across all mediums and platforms.
  - New logo has been added to ID badges, website, letterhead, presentations, presentation folders, and administrative apparel.

**Goal 5. Each student is healthy, safe, and responsible.**

**Objective 1.** Design, implement, and evaluate a system-wide process to ensure students are connected to an adult advocate, so that each student collaborates regularly with a mentor or trusted adult.

- a) Research evidence-based practices in student mentor programs to develop an implementation plan.

**Objective 2.** Provide a system of support to ensure access to effective health and safety programs so that the physical, social, and emotional needs of students are met.

- a) Coordinate professional development related to mental health to best serve student needs.
- b) Review and update crisis response and threat assessment protocols to provide appropriate professional development.

**Objective 3.** Design, implement, and evaluate a comprehensive continuum of behavioral supports, so that students, families, and staff have clear expectations for appropriate behavior and resources are available to meet student needs.

- a) Collect and summarize policy documentation and disciplinary data.
- b) Present an annual summary to school and district stakeholders for review and utilization for planning.
- c) Utilize school and district problem-solving teams.
- d) Assess current needs and lead professional development on classroom management.

**Objective 4.** Expand community partnerships that promote a healthy lifestyle, so that the wellness of our students, families, and staff is improved.

- a) Work with community partners and agencies to increase common health and wellness activities.
