New BT1's to Asheboro City Schools

Welcome new teachers!

It's the most wonderful time of the year!

Time to welcome students back to school for a new and exciting academic year! Let's lock arms and make it one of Asheboro City Schools best yet!

WELCOME BACK!

Jessica Marks, Music @ DLL

Ms. Marks, an UNCG grad, says her favorite food is pizza. She also loves playing music with friends and she would pursue English.

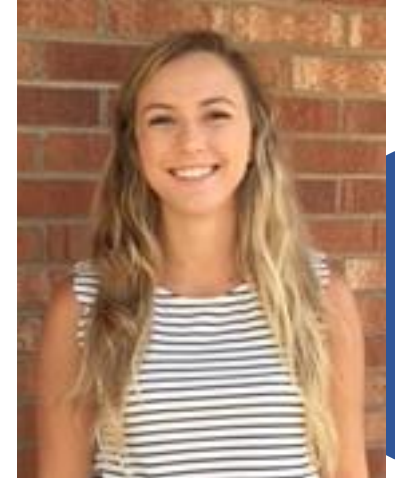

Jarrett Knepper, Art @ DLL

Ms. Knepper is from Charlottesville, VA and she is an April Fools Day baby! Her dream vacation would be a beach with soft sand and clear water.

Christopher Andrews, History @ AHS

Mr. Andrews enjoys playing ultimate Frisbee in his spare time. If he had \$1 million, he would donate it to his church or the Boys & Girls Club.

Mary Coe Stone, Science @ AHS

Ms. Stone is originally from Troy, NC and she attended UNCW. If she was not in education, she would study water chemistry or be a mermaid!

Meet the BOE: Chairman Lamb

Chairman of the Asheboro City Board of Education has served the students and staff of our district for 18 years. He says he has served and will continue to serve in order to “have a positive impact on the lives of our students,” and to also give back to a community that invested in him. Chairman Lamb works in warehouse operations for Indorama Ventures and he enjoys any and all things outdoors in his free time. He says his dream vacation spot is Hawaii!

Convocation Recap!

The ACS 2016 Convocation event was one that will go down in history as one of the most entertaining and moving events the district has experienced. Apple of Excellence Outstanding First Year Teacher, Mr. Scott Smith of South Asheboro Middle School, moved the audience as he reflected on his first year teaching...and he did it while wearing an apple costume! Then Asheboro City Schools, Teacher of the Year, Mr. Adam Reeder inspired by encouraging teachers and staff to find the potential in each student. He finished his remarks by proclaiming to “work 500 hours, and then 500 more” (see video below). And keynote speaker, Mr. Horacio Sanchez, discussed memory and the differences between male and female brains.

Truliant Credit Union Education Scholarships

Truliant Federal Credit Union has launched a grant program providing \$200,000 for community schools. We're asking teachers to submit proposals for innovative classroom projects that help strengthen financial literacy. We want local educators to tell us more about the ways their projects will improve student's financial capabilities.

Teachers can collaborate with other teachers on projects, and projects can be existing or brand new. Teachers can apply for funding up to, but not exceeding \$5,000. Truliant encourages thinking outside of the box about topics like business, personal finance, economics, marketing, and much more!

The application period is now open and teachers can apply using the link below. Applications will be accepted through Friday, September 9, 2016.
