LP Kindergartners Make Holiday Ornaments

Kindergartners at Lindley Park made ornaments to display at the Asheboro post office. The students learned about the element of texture in art. Students added texture to a clay slab using bisque stamps and used a cookie cutter to create a star shape. The ornaments were then fired in the kiln, painted with tempera, and dipped in an iridescent glaze.

Happy Holidays!

Wishing you a joyous holiday season with peace & cheer in the New Year!

Geography Bee at SAMS

Congratulations to the SAMS 2015-2016 Geography Bee winner Caleb Perkins, an 8th grader. He will now complete a written exam as a preliminary to the state level Geography Bee. If his written exam score is high enough, he will move to the state level later in 2016. Congratulations also to the other students who competed in the school bee based on high scores in the preliminary classroom round.

Teachey Students Deliver Toys to Our Daily Bread Soup Kitchen

Guy B. Teachey Student Council advisors Valerie Runnfeldt and Katie Hill delivered food and toys donated by students to Our Daily Bread Soup Kitchen this week. Staff at ODB were so excited and thankful for the donation!

NAMS Drama Presentations Rescheduled for January

Seventh grade students at NAMS will perform two comedies in January, *Virgil's Wedding* and *Snowee White and The Seven Chicks* by Eddie McPherson. Shows will start at 5 p.m. in the NAMS auditorium and will run about two hours. Admission is \$3 for individuals over the age of five.

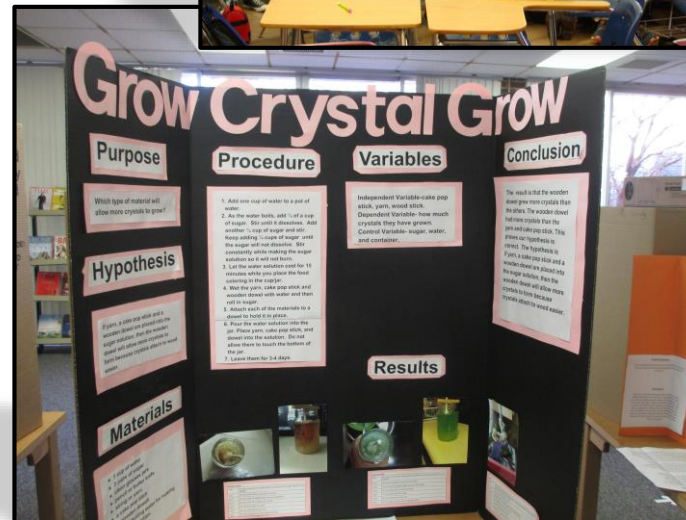

SAMS Collects Canned Goods for Our Daily Bread Soup Kitchen

SAMS students hosted a canned food donation drive through the month of December, and Ms. Trollinger's seventh grade class came through with a donation of **606** cans of food. The entire class pitched in to help with some students bringing in nearly 100 cans on their own!

NAMS Hosts Science Fair

Over 70 projects were on display at the NAMS Science Fair on December 16. The winners for each category are: Jenna Graham and Joana Vargas for "Fintastic Subs" (Technology & Engineering); Jarrett Kidd for "Football Field Goal: Going the Distance" (Physical Science); Tiana Brower and Kevin Rosales for "Gas Stations & Soil Pollution" (Earth & Environmental); Ellen Benitez for "Hiding Creatures" (Biological Science A); Mackenzie Isom & Hailey Pettine for "Does Music Affect Ability to Perform?" (Biological Science B); and Leslie Espinoza & Emily Mondragon for "Grow Crystals Grow" (Chemistry).

Teachey Students Shop at the PBIS Holiday Store

Teachey students shopped at the annual PBIS Holiday Store last week using Tiger Tickets they earned for positive behavior. Volunteers wrapped gifts for students to take home and students were very excited to shop using the tickets they earned. All items for the store were donated from parents, local businesses, and others in our community. Students used their math skills to budget their tickets and purchase items.

SAT/ACT Words:

No SAT/ACT Words since it's a really short week! Enjoy!

Other Events this Week

Tuesday, December 22 – Early dismissal for students. Elementary schools will release at 12:30 p.m. and secondary schools will release at 1:30 p.m.

Friday, December 25 – Merry Christmas!

Welcome New Asheboro City Board of Education Members

At the December Asheboro City Board of Education meeting, four new board members were sworn in. Be sure to give the new BOE members a warm ACS welcome! New members include: Baxter Hammer, Beth Knott, Jeni Martin, and Michael Smith.
