Keep up the reading and please let me know if you have any questions!

We'll See You at HOUR OF CODE Tonight!

You're invited to Asheboro City Schools Hour of Code event! Hour of Code will take place tonight from 5-7 p.m. at the Professional Development Center at Asheboro High School. Hour of Code is a global campaign focusing on a one-hour introduction to computer science. The event is designed to demystify code and show that anybody can learn the basics. This will be an exciting and educational learning opportunity for students as young as third grade, all the way up to seniors in high school. We look forward to seeing you there!
