Ribbon cutting held at Teachey

Guy B. Teachey Functional Skills students celebrated with PTO Board members, parents and teachers in recognition of their new adaptive playground swings last Friday. The celebration included a ribbon cutting ceremony and reception. PTO President, Casey Roberts spoke on behalf of all parents that the PTO is excited to support students in the functional skills classrooms through providing the adaptive swings.

1) Meet our Beginning Teachers

During the first few weeks of the 2015-2016 school year, we will introduce you to some of our beginning teachers. Please join us in welcoming them to the ACS family!

Tresa Hatchett
Business Education / NAMS

Ms. Hatchett is an alum of Pfeiffer University and enjoys watching her daughter play sports. If she had a million dollars she would give to God, pay off bills, build a new house, and take a vacation with family and friends.

Ryan Gordy
3rd Grade / Loflin

Ryan is originally from Cranbury NJ and graduated from Guilford College. He enjoys reading, sports, and walking the dog on trails. If he could meet anyone, it would be Sandy Koufax, his favorite baseball player.

Ashley Hughes
8th grade Social Studies / SAMS

Ms. Hughes is from Salisbury NC and enjoys skiing and reading. Her biggest influence is Maya Angelou. She admires how much she has impacted people and full her life was. If she was not teaching, she would like to work for the federal government.

Nancy Lamuraglia
1st Grade / Lindley Park

Ms. Lamuraglia is from Greensboro and earned her masters degree in education from UNC-G. She enjoys tennis, reading and cooking. Her dream vacation spot is Italy - would love to see the museums, art and experience the food!

2) NAMS students complete summer challenge

Fifty students at NAMS completed the Go for the Gold Summer Reading program. The students received gold medals for their reading achievements.

Congratulations!!

5) Guest speaker visited SAMS

Maja Markovic visited Ms. Hughes social studies classes last week. She is Serbian and was born in Bosnia at the end of their civil war. She spoke to the students about her and her parents' experiences as refugees. They later experienced extreme hardships in Serbia because they were from Bosnia and therefore not viewed as "true Serbs" by the Serbian citizens. This is in addition to the continued violence she was witness to even though the war was technically over.

4) Teachey summer readers celebrate

Teachey Super Summer Readers were busy over the summer powering up with books! 56 readers enjoyed a fun afternoon at the YMCA Splash Pad to celebrate achieving levels 3-5 of the Summer Reading Challenge. As a school, GBT summer readers read a total of 113,938 minutes. That's 1,898 hours and 58 minutes. Congratulations!!

3) ESL Parent Night held at Lindley Park

Last week LP parents received information about homework, ways to volunteer, and the annual Hispanic Heritage night. Also, a representative from the public library spoke about their services and gave parent's the opportunity to sign up for library cards.
