**The No Child Left Behind Act of 2001 (P.L. 107-110)**  
**Title I, Part A: Application 2014-15**  
**Improving the Academic Achievement of the Disadvantaged**  
**Executive Summary – August 14, 2014**  
**Asheboro City Schools**

**Description:**

Title I, Part A provides federal dollars for instructional activities and services to help our most disadvantaged students meet high academic standards. Title I school eligibility determinations and allocations are based on the number of children receiving free or reduced lunches. Asheboro City Schools provides Title I school-wide services in the five elementary schools, each having at least 60% of the student population from low-income families. School-wide programs mean that all students in the school benefit from Title I resources rather than schools identifying specific students for targeted assistance.

**The Plan:**

Federal Guidelines require that ACS set aside monies in the Title I Planning Allotment for: district administration, parental involvement, prekindergarten programs, professional development, district-wide instructional initiatives, and support of homeless students. Title I dollars that are not set aside at the district level are allocated to the five elementary schools based on each school's number of qualifying (i.e., low income) students.

**Staffing:**

In an effort to maintain classroom teaching positions and reduced class sizes, the ACS Title I plan will utilize school allotments to fund 33 K-5 classroom teaching positions. ACS has designated district-level Title I dollars to fund support for homeless students and parent involvement. Title I funds are also utilized to fund a parent involvement specialist and a social worker to work with students at high poverty schools.

**Continuous Improvement Plans:**

School-wide program services are built upon school-wide reform strategies. The Continuous Improvement Plan for each elementary school addresses the ten components of Title I: a comprehensive needs assessment; school reform strategies; instruction by highly qualified teachers; high quality and ongoing professional development; strategies to attract highly qualified teachers to high needs schools; including teachers in decisions regarding the use of assessments; strategies to increase parental involvement; preschool transition strategies; activities for children experiencing difficulty; and coordination and integration of Federal, State, and local services.

**Budget**

<b>Planning Allotment</b>	\$1,794,845.00
<b>Expected Carryover</b>	\$244,013.18
<b>District Set-Asides</b>	
Parental involvement	\$20,000.00
Parent Involvement Specialists	\$92,845.88
Homeless student support	\$121,131.00
Administrative and indirect costs	\$79,274.52
District Instructional Initiative	\$40,000.00

<b>Total Set-Asides</b>	\$353,251.40
<b>Allotment to Schools</b>	\$1,685,606.78
<b>Total Budget</b>	\$2,038,858.18

Schools are allotted the Title I funds remaining after the Set-Asides are deducted from the sum of the Planning Allotment and the Expected Carryover. Qualifying students at each school are tallied to determine a per pupil allocation for the school. We had a total of 1858 students in grades K-5 who qualified for Free/Reduced Lunch in May of this year. This gave us a per pupil rounded allocation of \$907.22. Schools use their allotments to fund supplemental staff; professional development; and materials, resources, and equipment to support instruction for all students. Based on this per pupil cost, allocations to individual schools are as follows:

**Allotments to Schools for 2014-2015**

Balfour Elementary	\$455,961.32
Loflin Elementary	\$293,211.64
McCrary Elementary	\$319,645.01
Teachey Elementary	\$269,985.67
Lindley Park	\$279,124.15

**Evaluation**

The effectiveness of the Title I, Part A grant is evaluated in a variety of ways. Evaluation data include: K-5 Portfolios; Reading 3D; Scholastic Reading Inventory; Fountas & Pinnell Guided Reading Levels; and End of Grade Reading, Math, and Science (5<sup>th</sup> grade). K-5 Portfolio data, as well as Reading 3D, SRI, and Fountas & Pinnell Guided Reading Levels are analyzed to track student growth. District-level benchmark assessments are administered for grades 3-5 in Math, Reading, and Science (5<sup>th</sup> grade). End of Grade Tests in Reading and Mathematics provide quantitative data for comparison of results. Collaboration during professional learning community meetings, which include “assessment wall” sessions, helps teachers visualize the level of student progress and pinpoint necessary interventions for struggling students. Parent meetings are held throughout the year and surveys are administered annually to gather input from parents of Title I schools.

A detailed inventory of equipment and materials purchased with Title I, Part A funds is maintained. These resources are tagged and a central inventory system contributes to fiscal efficiency.

**Title II, Part A – Executive Summary  
Improving Teacher Quality  
Asheboro City Schools – 2014-2015 Grant Application**

The No Child Left Behind (NCLB) Act of 2001 establishes ESEA, Title II, Part A funding for Improving Teacher Quality. Major factors in determining uses of this funding are:

- District-Wide Needs Assessment to determine professional development to enhance subject matter and teaching skills;
- District-Wide Needs Assessment to determine professional development to enhance instructional leadership for principals;
- Recruitment, hiring, and retention of Highly Qualified Teachers (HQT);
- Equitable distribution of HQT to Title I schools.

I. Participation in Planning

- A. Non-public school participation: Directors of non-public schools with students in our attendance area were invited to a meeting for explanation of federal programs. A letter of intent for participation was completed by each non-public school. No non-public school chose to participate.
- B. Needs Assessment: A comprehensive needs assessment is completed annually, including: ACS Strategic Plan; ACS Professional Development Survey; ACS Self-Assessment of Professional Development; Beginning Teacher Support needs; and various focus groups that include beginning teachers, mentors, and administrators.
- C. Use of Title II-A funds was determined to be the following:
  1. Instructional Support: Fund lead teachers to provide coaching and professional development at the secondary level. Specifically providing support to infuse literacy across all content areas, as well as further develop math and science content knowledge.
  2. Tuition Assistance Program and Recruitment and Retention of HQT: Funding will be used to support teachers and administrators who wish to add area(s) of licensure or to obtain a higher level of licensure. Funding may be used for emerging best practices in recruiting and retaining HQT.
  3. Professional Development: Funds will be used to support the fifth cohort of the ACS Teacher Leadership Academy (TLA). This professional development opportunity focuses on the development of teacher leaders.
  4. Mentoring Support: Funds will be used to provide support to beginning teachers in their first and second year of employment.

II. Planning Budget Summary:

A. Planning Allocation	\$146,302
B. Instructional Support	77,400
C. Tuition Assistance	5,000
D. Professional Development	34,000
E. Mentoring Support	20,500
F. Indirect Costs	4,300

The board of education recognizes the need and value of educational and psychological research in developing, validating, and standardizing newer programs and strategies in education. Staff members are encouraged to participate in and cooperate with such programs when these projects do not significantly interfere with the educational program. All research and experimental projects using either staff, pupils, or materials within the school system must be approved in advance by the superintendent, or designee. Research projects involving students must obtain written parental permission for the students' participation. A summary of the results of all such research must be submitted to the office of the superintendent.

# **NCWISE PASSWORD AND WORKSTATION STUDENT INFORMATION SYSTEM ACCEPTABLE USE**

*Policy Code: 3221*

---

The Asheboro City Schools Board of Education has the legal and ethical responsibility to collect, use and disseminate appropriate student information as ~~one of its most important priorities~~. The legal aspects of the use of public school data are based upon ~~several~~ state and federal laws, including the Uniform Education Reporting System (UERS) umbrella as required by GS 115C-12. Additionally, the Family Educational Rights and Privacy Act (FERPA) ~~as amended in 1996~~ mandates ~~acceptable~~ procedures for protecting the privacy of student data, while acknowledging the necessity to collect it. North Carolina further defines the situations in which both student and education student data can ~~(and cannot)~~ be disclosed in GS 115C and State Board of Education Policy EEO-C-017.

~~The North Carolina Window of Information on Student Education (NCWISE) is the state's selected system for student accounting and collection and reporting of student information.~~ The following will govern the use of NCWISE the student information system adopted by North Carolina Department of Public Instruction in the Asheboro City Schools.

## **Purpose**

The purpose of this standard is to reduce unauthorized access to information within the NCWISE student information system.

## **Application**

All NCWISE student information system users are required to read and follow this policy concerning user identification (user ID), password protection, and workstation standards.

## **Background**

~~This policy has been based on the guidelines of the Information Resource Management Commission (IRMC) policy set forth by the Department of Public Instruction while outlining specific guidelines for its own technology environment. The use of passwords in conjunction with unique user IDs is required in order to allow authorized access to the NCWISE information. It is intended to prohibit the possibility of compromising student information and to maintain the integrity, accuracy, and confidentiality of the student data for the school district.~~

## **Scope**

~~This policy applies to anyone using the NCWISE application per State Board Policy EEO-C-018.~~

## **Policy – User ID and Password Standards**

- Each user accessing the NCWISE application student information system shall be uniquely identified with an ID that is associated only with that user.
- The LEA ~~security~~student information system administrator, or ~~his/her~~ designee, is

responsible for promptly disabling the ~~NCWISE~~ student information system user ID upon termination of a user from the school or LEA or upon cessation of a user's need to access the ~~NCWISE~~ student information system.

- Unsuccessful login attempts shall be limited to three (3) attempts before the user account is locked from access ~~login process is disabled~~.
- ~~User IDs that are inactive for thirty (30) days will be disabled.~~
- Only authorized security administrators ~~or help desk staff~~ shall be allowed to enable a user ID.
- Passwords used for the ~~NCWISE~~ student information system should be unique to ~~NCWISE~~ the student information system.
- Passwords will expire every ~~ninetyone~~ hundred and twenty (90/120) days.
- No ~~NCWISE~~ student information system passwords should be written or stored in clear text on or around the desktop systems.
- Passwords cannot be shared with any other person. Each user is personally responsible for all data entered and activity under her/his user ID.
- ~~**PASSWORDS CANNOT BE SHARED WITH ANYONE. EACH USER IS PERSONALLY RESPONSIBLE FOR ALL DATA ENTRY UNDER HIS/HER USER NAME.**~~

### ~~Workstation Security Standards~~

- ~~A. Users should not login using NCWISE user identification to a public access computer. This includes, but is not limited to computer labs, cyber cafes, coffee shops, bookstores, libraries, etc.~~
- ~~B. Anti-virus software should be installed on each desktop computer, and designated staff shall make certain that the desktop has the most current anti virus software and appropriate updates installed. Users should update the virus protection software weekly to avoid unwanted viruses or damage that can be caused by them.~~
- ~~C. Users should never leave the computer unattended while logged into NCWISE. The site must be locked using the feature built into the software.~~
- ~~D. Only approved software should be installed on an NCWISE designated computer.~~
- ~~E. Browsers should be configured so that passwords for websites are not stored in the browser.~~
- ~~F. Users should watch for keystroke monitors. These are small devices, less than an inch in size, which can be plugged in between the keyboard cable and the CPU. They record every character typed (including passwords) and save them in a text file or send them to a remote user.~~
- ~~G. Workstation must be protected by a firewall.~~
- ~~H. Users must create a separate user profile for students to use the NCWISE designated computer.~~
- ~~I. Accessing NCWISE from home will be permitted if the user can meet standards B, C, E and G above.~~

### **Areas of Responsibility**

All information maintained by ~~NCWISE~~the student information system is confidential. Any employee who violates the confidentiality of the records may be subject to disciplinary action.

Each principal is responsible for enforcing and monitoring the implementation of this policy.

The Superintendent, or ~~his/her~~ designee, is responsible to ensure this policy is communicated to all ~~NCWISE~~student information system users.

Adopted: May 12, 2005

Administrative Procedure: None

To create and maintain a safe, orderly and inviting learning environment, students must have the skills to resolve conflicts in non-violent ways.

All schools are encouraged ~~and any alternative school is required~~ to include a conflict resolution plan in the school improvement plan as provided in board policy 3430, School Improvement Plans.

~~In particular, schools are encouraged to explore opportunities to integrate conflict resolution skills into the standard course of study where appropriated.~~ The curriculum committee shall explore opportunities to integrate conflict resolution skills into the standard course of study and other curricula.

The board strongly encourages programs and activities which recognize and reward excellence among students in academic achievement, character and leadership.

A variety of programs, ~~may be implemented to recognize excellence~~ such as honor rolls, honor societies, and citizenship and leadership awards, may be implemented to recognize outstanding student achievement. The board encourages school recognition ceremonies and community recognition ceremonies to honor scholarship and distinguished character and leadership abilities.

Administrators and teachers will be responsible for developing and implementing ~~any~~ various means of recognizing ~~excellence~~ student achievement.

Administrative Procedure: None

The board recognizes the critical role of parents in the education of their children and in the schools. The board directs school administrators to develop programs that will promote and support parental involvement in student learning and achievement at school and at home and encourage successful progress toward graduation. Each parent is encouraged to learn about the educational program, the educational goals and objectives of the school system, and his or her own child's progress. The board also encourages parents to participate in activities designed by school personnel to involve them, such as parent conferences, in order to encourage effective communication.

The board directs each principal or designee to develop a parental involvement plan as a part of the school improvement plan. This plan must include, at a minimum, efforts that meet the requirements established in this policy. In addition, the plan must include ways to enhance parental involvement in the following areas:

1. meaningful two-way communication between home and school;
2. promotion of responsible parenting;
3. involvement of parents and guardians in student learning;
4. promotion of volunteering;
5. involvement of parents and guardians in school decisions that affect children and families;
6. parental training;
7. community collaboration; and
8. promotion of student health awareness.

This policy applies to the parents, legal guardians, and legal custodians of students who are under 18 years old and are not married.

**A. PARENT COMMUNICATION AND CONFERENCES**

The board encourages school personnel to have regular contact with parents for commendation as well as for notification of concerns. Principals or designees shall plan for periodic communication with parents. Teachers are responsible for scheduling conferences with parents.

The principal or designee shall provide the parent of an at-risk student with a copy of the student's personal education plan in accordance with policy 3405, Students at Risk of

Academic Failure. Parents should be included in the implementation and ongoing review of their child's personal education plan.

~~Beginning in the 2013-14 school year,~~ The principal or designee shall provide the parent of each student in kindergarten, first, or second grade with written notification of the student's reading progress. The notice will be provided three times a year, following each benchmark assessment and will include: (1) assessment results, (2) whether the child may not reach reading proficiency by the end of third grade; and (3) instructional support activities for use at home.

The board encourages the superintendent to work with local business leaders, including the local chambers of commerce, to encourage employers to adopt as part of their stated personnel policies time for employees who are parents or guardians to attend conferences with their child's teachers.

## **B. PARENTAL NOTIFICATION**

Each principal or designee of a Title I school shall effectively notify parents of all parental rights and other required information regarding Title I schools and programs, in accordance with federal law. Parents of students in Title I schools shall receive a copy of the system-wide Title I parent involvement policy (policy 1320/3560, Title I Parent Involvement) and the school-wide parent involvement plan.

In addition, annually every building principal or designee shall effectively notify parents of the following:

1. parental rights related to student records (see policy 4700, Student Records);
2. parental rights related to student surveys (see policy 4720, Surveys of Students);
3. the approximate dates of any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance, (b) administered and scheduled in advance by the school administration, and (c) not necessary to protect the immediate health and safety of students;
4. the schedule of pesticide use on school property and their right to request notification of nonscheduled pesticide use (see policy 9205, Pest Management);
5. student behavior policies, the Code of Student Conduct, and school standards and rules (see policies in the 4300 series);
6. the permissible use of seclusion and restraint in the schools (see ~~policy regulation 4302-R, School Plan for Management of Student Behavior~~Rules for Use of Seclusion and Restraint in Schools);
7. policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint

Procedure;

8. policy 1740/4010, Student and Parent Grievance Procedure;
9. the dates of the system-wide and state-mandated tests that students will be required to take during that school year, how the results from the tests will be used and the consequences thereof, and whether each test is required by the State Board of Education or by the local board;
- 9.10. grading practices that will be followed at the school and, ~~in the~~ for parents of high school students, the method of computing the grade point averages that will be used for determining class rank (see policies 3400, Evaluation of Student Progress and 3450, Class Rankings);
- 10.11. ~~a description of the curriculum being offered (see policy 3100, Curriculum Development)~~available opportunities and the enrollment process for students to take advanced courses and information explaining the value of taking advanced courses;
11. ~~student performance standards (see policies in the 3400 series);~~
12. a report containing aggregate information, including, but not limited to, student achievement (disaggregated by category), graduation rates, performance of the school system, and teacher qualifications;
13. the grade awarded to the school on the most recent annual report card issued for it by the State Board of Education if the school received a grade of D or F;
14. sports and extracurricular activities available for students (see policy 3620, Extracurricular Activities and Student Organizations);
15. supportive services available to students, including guidance, counseling and health services (see ~~policies 3540, Comprehensive Health Education Program and 3610, Counseling Program~~);
16. information about meningococcal meningitis and influenza, including the causes, symptoms, and vaccines, how the diseases are spread, and places where parents and guardians may obtain additional information and vaccinations for their children;
17. for parents of students in grades 5 through 12, information about cervical cancer, cervical dysplasia, and human papillomavirus, including the causes and symptoms of these diseases, how they are transmitted, how they may be prevented by vaccination, including the benefits and possible side effects of vaccination, and places parents and guardians may obtain additional information and vaccinations for their children;

18. how to reach school officials in emergency situations during non-school hours;
19. information about and an application form for free and reduced price meals and/or free milk (see policy 6225, Free and Reduced Price Food Services);
20. information about the school breakfast program;
21. information about the availability and location of free summer food service program meals for students when school is not in session;
22. for parents of children with disabilities, procedural safeguards (see also policy 1730/4022/7231, Nondiscrimination on the Basis of Disabilities);
23. information on the availability of the asbestos management plan and planned or in-progress inspections, re-inspections, response actions, and post-response actions, including periodic re-inspection and surveillance activities;
24. education rights of homeless students (see policy 4125, Homeless Students);
25. the content and implementation of the local school wellness policy (see policy 6140, Student Wellness);
26. their right to take four hours of unpaid leave from their jobs every year in order to volunteer in their child's school as stated in G.S. 95-28.3 (see policy 5015, School Volunteers);
27. that the school system does not discriminate on the basis of race, color, national origin, sex, disability, or age (see policies 1710/4021/7230, Prohibition Against Discrimination, Harassment, and Bullying and 1730/4022/7231, Nondiscrimination on the Basis of Disabilities);
28. that the school system provides equal access to its facilities, programs and activities to the Boy Scouts and other designated youth groups (see policy 1710/4021/7230, Prohibition Against Discrimination, Harassment, and Bullying); and
29. the availability of and the process for requesting a waiver or reduction of student fees (see policy 4600, Student Fees).

**C. OPPORTUNITIES TO WITHHOLD CONSENT/OPT OUT**

As a part of the annual notification described above, parents will be effectively notified that they may opt out of any of the following:

1. release of student directory information about their child for school purposes or to outside organizations (see policy 4700, Student Records);

2. release of their child's name, address, and telephone listing to military recruiters or institutions of higher education (see policy 4700, Student Records);
3. their child's participation in curricula related to (a) prevention of sexually transmitted diseases, including Acquired Immune Deficiency Syndrome (AIDS); (b) avoidance of out-of-wedlock pregnancy; or (c) reproductive health and safety education, as provided in policy 3540. A copy of the materials that will be used in these curricula will be available in the school media center during the school year and at other times that the media center is available to the public. To meet any review periods required by law, materials also may be made available for review in the central office;
4. their child's participation in academic or career guidance or personal or social counseling services of a generic nature offered to groups of students (e.g., peer relations strategies offered to all sixth graders). However, parental notification and permission are not required for: (a) short-duration academic, career, personal, or social guidance and counseling and crisis intervention that is needed to maintain order, discipline, or a productive learning environment; (b) student-initiated individual or group counseling targeted at a student's specific concerns or needs; and (c) counseling if child abuse or neglect is suspected (see policies 3610, Counseling Program, and 4240/7312, Child Abuse – Reports and Investigations);
5. their child's participation in non-Department of Education-funded surveys concerning protected topics (see policy 4720, Surveys of Students);
6. their child's participation in any non-emergency, invasive physical examination or screening that is: (a) required as a condition of attendance; (b) administered and scheduled in advance by the school administration; and (c) not necessary to protect the immediate health and safety of students;
7. the collection, disclosure, or use of their child's personal information for marketing purposes (see policy 4720, Surveys of Students); and
8. release of their child's free and reduced-price meal information to State Medicaid or State children's health insurance program (SCHIP).

Any parent or legal guardian who wishes to opt out/withhold consent must do so in writing after receiving notice. Otherwise, consent to the programs or activities is presumed. After the annual notification, the school is not required to provide further notice to the parent or legal guardian as to the manner in which student directory information is used, the curriculum is provided, or guidance programs are made available.

**D. PARENTAL PERMISSION REQUIRED**

Written parental permission is required prior to the following activities:

1. the administration of medications to students by employees of the school system (see policy 6125, Administering Medicines to Students);
2. the release of student records that are not considered directory information, unless the release is allowed or required by law (see policy 4700, Student Records);
3. off-campus trips;
4. students' participation in high-impact or high-risk sports or extracurricular activities, such as football or mountain climbing (see policy 4220, Student Insurance Program);
5. all decisions or actions as required by the IDEA with regard to providing special education or related services to students with disabilities (see policy 3520, Special Education Programs/Rights of Students with Disabilities);
6. certain health services, as required by law;
7. students' participation in programs or services that provide information about where to obtain contraceptives or abortion referral services;
8. students' participation in surveys funded by the Department of Education that are conducted concerning protected topics (see policy 4720, Surveys of Students);
9. disclosure of students' free and reduced price lunch eligibility information or eligibility status; and
10. disclosure of the identity of any student receiving supplemental education services under the Title I program.

Adopted:

The board of education believes that the education of children is an ongoing cooperative partnership between the home and the school. Parents are their children's first teachers; therefore, the continued involvement of parents in the educational process is most important in fostering and improving educational achievement. School system officials shall strive to support parents and provide parents with opportunities to become involved in the programs offered by the Title I schools. The board encourages parents to participate in the design and implementation of the programs and activities in order to increase the effectiveness of the school system's Title I program in helping students meet state and local achievement standards.

**A. DEFINITION OF PARENTAL INVOLVEMENT**

For the purposes of this policy and the Title I program, the term "parental involvement" means the participation of parents and guardians in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring the following:

1. that parents play an integral role in assisting their child's learning;
2. that parents are encouraged to be actively involved in their child's education at school;
3. that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
4. that the school system engages in activities to support parental involvement in the Title I programs.

**B. PURPOSE AND OPERATION OF TITLE I PROGRAM**

The Title I program is a federally supported program that offers assistance to educationally and economically disadvantaged children to help ensure they meet the school system's challenging academic standards. The Title I program provides instructional activities and supportive services to eligible students over and above those provided by the regular school program. When applicable, students must be selected to receive Title I services based on objective criteria that are consistent with federal and state requirements, such as standardized test scores, teacher judgment, and results of pre-school screening and home-school surveys.

Qualified Title I schools will operate as school-wide programs or targeted assisted programs based upon federal eligibility criteria. School-wide programs will utilize a comprehensive school improvement process enabling schools to serve all students in the school. Targeted assistance programs will provide services to eligible students in the

school having the greatest need for assistance.

Both school-wide and targeted assistance programs shall be based on effective means of improving student achievement and shall include strategies to support parental involvement.

**C. ANNUAL MEETING**

Each year, Title I parents must be invited to an annual meeting, at which time parental rights will be explained, programs and activities provided with Title I funds will be discussed, and input will be solicited. In addition, all parents will have an opportunity to evaluate the effectiveness of the Title I programs and the parental involvement policies and plans. Data collected from these findings will be used to revise Title I programs and parental involvement plans.

**D. PARENTAL INVOLVEMENT EFFORTS**

The board believes that the involvement of Title I parents in the design and implementation of the Title I program will increase the effectiveness of the program and contribute significantly to the success of the children. The Title I staff and all school system personnel shall strive to involve parents in activities throughout the school year.

The superintendent shall ensure that this system-level parental involvement policy is developed with, agreed upon with, and annually distributed to parents of participating students. In addition to the system-level parental involvement policy, each school participating in the Title I program shall jointly develop and annually distribute to parents a school-level written parental involvement policy that describes the means for carrying out school-level policy, sharing responsibility for student academic achievement, building the capacity of school staff and parents for involvement, and increasing accessibility for participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory children. School-level plans must involve parents in the planning and improvement of Title I activities and must provide for the distribution to parents of information on expected student proficiency levels and the school's academic performance.

School officials will invite appropriate school personnel from private schools to consult on the design and development of its programs in order to provide equitable services to students enrolled in private schools. The superintendent or designee will establish procedures to achieve timely and meaningful consultation with private school officials in accordance with federal law.

In addition, school system officials and Title I school personnel shall do the following:

1. involve parents in the joint development of the Title I Program and the process of school review and improvement by including parents on the school advisory committee and committees that review the Title I program;

2. provide coordination, technical assistance, and other support from various central office departments necessary to assist participating schools in planning and implementing effective parental involvement activities that are designed to improve student academic achievement and school performance;
3. build the schools' and parents' capacity for strong parental involvement by collecting and disseminating information on effective parental involvement techniques;
4. coordinate and integrate parental involvement strategies with parental involvement activities in other programs, such as Head Start, ~~Reading First~~ and similar programs;
5. with the involvement of parents, conduct an annual evaluation of the content and effectiveness of the school system parental involvement policies and program in improving the academic quality of the school;
6. strive to eliminate barriers to parental participation by assisting parents with disabilities and parents who are economically disadvantaged, have limited English proficiency, are migratory, or have other backgrounds or characteristics that may affect participation;
7. provide assistance to parents of participating Title I children in understanding the state's testing standards, the assessments used, Title I requirements, and all national, state, and local standards and expectations through such efforts as community-based meetings, sending information home, newsletters, workshops, and newspaper articles;
8. design a parent-student-school staff compact that sets out respective responsibilities in striving to raise student achievement and explains how an effective home/school partnership will be developed and maintained;
9. with the assistance of parents, ensure that teachers, pupil services personnel, principals, and other staff are educated in the value of parents as partners in the educational process and understand how to work with, communicate with, and reach out to parents as equal partners in education;
10. distribute to parents information on expected student proficiency levels for their child and the school's academic performance, and provide materials and training to help parents monitor their child's progress and work with educators to improve achievement through such methods as technology or literacy training;
11. coordinate and integrate parental involvement programs with pre-school programs and conduct other activities in the community that encourage and support parents to more fully participate in the education of their child;

12. strengthen the partnership with agencies, businesses, and programs that operate in the community;
13. ensure that parents are involved in the school's Title I activities; and
14. provide such other reasonable support for Title I parental involvement activities as requested by parents.

**E. NOTICE REQUIREMENTS**

School system officials and Title I school personnel shall provide effective notice of the following information as required by law. The notice must be in an understandable and uniform format and, to the extent practicable, in a language the parents can understand.

1. LEP Program

- a. Each year the principal or designee shall provide notice of the following to parents of limited English proficient (LEP) children identified for participation in a Title I, Part A-funded language-instruction educational program:
  - i. the reasons for the child's identification;
  - ii. the child's level of English proficiency;
  - iii. methods of instruction;
  - iv. how the program will help the child;
  - v. the exit requirements for the program;
  - vi. if the child has a disability, how the language instruction educational program meets the objectives of the child's individualized educational program (IEP); and
  - vii. any other information necessary to effectively inform the parent of the program and the parental rights regarding enrollment, removal, and selection of an LEP program.
- b. The principal or designee of a school with a Title I, Part A-funded language instruction program that has failed to make progress on the annual achievement objectives for LEP students, shall notify the parents of such failure no later than 30 days after the failure occurs.

2. System Report Card and School Progress Review

- a. Each year, school system officials shall disseminate to all parents, schools, and the public a school system report card containing aggregate information, including, but not limited to, student achievement (disaggregated by category), graduation rates, performance of the school system, and teacher qualifications.
  - b. Each year, school system officials shall disseminate to all parents, schools, and the community the results of the LEA's yearly progress review of each school.
3. Teacher Qualifications
- a. Each year, school system officials shall notify parents of Title I students of the right to request certain information on the professional qualifications of the student's classroom teachers and paraprofessionals providing services to the child (see policy 7820, Personnel Files).
  - b. The principal or designee of a Title I school shall provide timely notice informing parents that their student has been assigned to or has been taught for at least four consecutive weeks by a teacher who is not "highly qualified" as defined in the No Child Left Behind Act.
4. Parental Rights and Opportunities for Involvement

Each year, the principal or designee of a Title I school shall provide notice to parents of the school's written parental policy, parents' right to be involved in their child's school, and opportunities for parents to be involved in the school.

**F. WEBSITE NOTIFICATION**

When a Title I school is identified for improvement, corrective action, or restructuring, the school system will display on its website the following information in a timely manner to ensure that parents have current information regarding supplemental services and public school choice:

- 1. beginning with data from the 2007-2008 school year and for each subsequent school year, the number of students who were eligible for and the number of students who participated in public school choice;
- 2. for the current school year, a list of available schools to which students eligible to participate in public school choice may transfer;
- 3. beginning with data from the 2007-2008 school year and for each subsequent school year, the number of students who were eligible for and the number of students who participated in supplemental educational services; and

4. for the current school year, a list of supplemental educational services providers approved by the state to serve the school system and the locations where services are provided.

The superintendent shall develop administrative procedures to implement the requirements of this policy.

Adopted:

The board recognizes that curriculum development must be an ongoing process in order to address continually the changing needs and diversity of all students and to fulfill the educational goals of the board. The board further recognizes that while educators must be responsible for developing the curriculum, parents, other governmental agencies, businesses, and members of the public have valuable insights in the type of curriculum needed.

**A. CURRICULUM DEVELOPMENT**

The curriculum must be developed to meet state and board requirements, using the current statewide instructional standards~~North Carolina Standard Course of Study~~ as a foundation. The superintendent shall establish a curriculum committee to coordinate curriculum planning and ensure that the curriculum is aligned with the current statewide instructional standards~~standard course of study~~ and includes subject-area competencies for each grade level. The committee must include central office administrators, teachers, and school administrators representing the various schools and grade levels. Teachers should receive appropriate training so that they may participate in curriculum development. The committee also must seek input from parents, the community, and experts in order to make fully informed decisions.

The committee may recommend that the board expand subject areas and objectives of the curriculum to meet the educational goals of the board and state and federal laws. The committee also may recommend eliminating subject areas or objectives that are not state-required or related to the educational goals of the board.

**B. CURRICULUM MODIFICATION BY INDIVIDUAL SCHOOLS**

The principal is the instructional leader of the school and is responsible for determining whether the curriculum meets the needs of the students of the school. Accordingly, the principal or designee may consider modifying the curriculum.

If a school official wishes to modify the curriculum, he or she may submit a proposal to the central curriculum committee. Unless the curriculum committee has significant concerns about the proposal, the committee will approve the changes so long as the curriculum maintains continuity. After being approved by the curriculum committee, the proposal must be submitted to the board for approval as a part of the school improvement plan process if the modifications include: (1) expanding or reducing the subject areas or objectives; (2) eliminating subject areas or objectives not required by the state; or (3) waiving local board policies. The curriculum committee shall ensure that the curriculum continues to be aligned with the current statewide instructional standards~~standard course of study~~.

**C. EVALUATION**

The superintendent shall ensure that the methods for meeting curriculum objectives are regularly evaluated for their effectiveness. The board also encourages external curriculum audits by professional curriculum assessors.

Adopted:

The board recognizes the importance of setting rigorous graduation requirements to help ensure that students are receiving an education that will prepare them to be productive members of society.

In order to graduate from high school, students must meet the following requirements:

1. successful completion of all course unit requirements mandated by the State Board of Education (see Section A);
2. beginning in the 2014-2015 school year, successful completion of cardiopulmonary resuscitation instruction; and
3. successful completion of all other requirements mandated by the board, as provided in this policy.

The principal shall ensure that students and parents are aware of all graduation requirements. Guidance program staff shall assist students in selecting their high school courses to ensure that students are taking all of the required units and selecting electives consistent with their post-graduation plans. For students who have transferred to the school system during high school or who, for other reasons, have completed course work outside of the school system, the principal shall determine what course work will be applied as credit toward graduation. The principal shall consider the requirements of the Interstate Compact on Educational Opportunity for Military Children (G.S. 115C-407.5) and the requirements of subsection C.3 of this policy in determining the graduation requirements for children of military families.

#### **A. COURSE UNITS REQUIRED**

Each student must meet the course unit requirements for one of the following courses of study. Students entering the ninth grade for the first time before the 2009-2010 school year must fulfill the requirements of the Career Prep, College Tech Prep, College/University Prep, or Future-Ready Occupational Course of Study. Beginning with students entering the ninth grade for the first time in the 2009-2010 school year, students must fulfill the requirements of the Future-Ready Core Course of Study, unless they are approved for the Future-Ready Occupational Course of Study. Course unit requirements for the Future-Ready Core Course of Study differ depending on the year a student enters ninth grade for the first time. In accordance with policy 3101, Dual Enrollment, and State Board of Education requirements, students may earn high school credit for college courses completed. Students also have the opportunity to meet course unit requirements without completing the regular period of classroom instruction by demonstrating mastery of the course material in accordance with policy 3420, Student Promotion and Accountability, and State Board of Education requirements.

**B. HIGH SCHOOL FINAL EXAMS AND END -OF-COURSE TESTING**

High school students must take all end-of-course (EOC) tests, NC Final Exams, and Career and Technical Education State Assessments (CTE Post-Assessments) required by

---

the State Board of Education and pursuant to policy 3410, Testing and Assessment Program. ~~If required by the State Board of Education, students who do not score at Level III or above on the first administration of an EOC test shall be retested.~~

The EOC test results will count as 25 percent of a student's final grade in each high school course for which an EOC test is available, except that this requirement does not apply to students following the Occupational Course of Study.

### C. SPECIAL CIRCUMSTANCES

The board adopts the following policies with regard to graduation.

#### 1. Honor Graduates

Honor graduates may be designated by principals on the basis of criteria established by the superintendent. ~~A student who completes the requirements of the North Carolina Academic Scholars Program will receive recognition, including a seal affixed to his or her diploma.~~ Recognition of honor graduates may be included in graduation programs.

#### 2. Students with Disabilities

Graduation requirements must be applied to students with disabilities to the extent required by state and federal law and State Board policy.

#### 3. Children of Military Families

In order to facilitate the on-time graduation of children of military families, the board adopts the following policy provisions for students to whom the Interstate Compact on Educational Opportunity for Military Children applies.

##### a. Waiver Requirements

Specific course work required for graduation will be waived if similar course work has been satisfactorily completed in another school system. If a waiver is not granted, school administrators shall provide the student with reasonable justification for the denial. If a waiver is not granted to a student who would qualify to graduate from the sending school, the superintendent or designee shall provide the student with an alternative means of acquiring the required course work so that the student may graduate on time.

##### b. Testing Requirements for Graduation

The superintendent shall accept the following in lieu of any local testing

requirements for graduation: (1) the end-of-course exams required for graduation from the sending state; (2) national norm-referenced achievement tests; or (3) alternative testing. If these alternatives are not feasible for a student who has transferred in his or her senior year, subsection c below will apply.

c. Transfers During Senior Year

If a child of a military family who has transferred at the beginning of or during his or her senior year is ineligible to graduate from the school system after all of the alternatives listed above have been considered and the student meets the graduation requirements at his or her sending school, then school officials from the school system shall collaborate with the sending school system to ensure that the student will receive a diploma from the sending board of education.

4. Early Graduation

Graduation prior to that of one's class may be permitted on the basis of criteria approved by the board upon recommendation by the superintendent.

5. Graduation Certificates

Graduation certificates will be awarded to eligible students in accordance with the standards set forth in State Board policy.

6. Diploma Endorsements

~~Beginning with the graduating class of 2014-2015, s~~Students will have the opportunity to earn ~~an one or more of the following diploma endorsements to their diploma~~ identifying a particular area of focused study including: (1) Career Endorsement, (2) College Endorsement (two options), ~~(3) College Plus Endorsement~~, and/or ~~(4)~~ (3) North Carolina Academic Scholars Endorsement. No endorsement is required to receive a diploma, ~~and a student may earn more than one endorsement.~~

# BOARD OF EDUCATION GOALS 2014-2015

**Update: August 14, 2014**

## STRATEGIC GOAL:

By 2016, **90 percent** or more of Asheboro City Schools students will graduate with the skills needed as 21<sup>st</sup> century learners, workers, and citizens.

## STRATEGIC OBJECTIVES:

### 1. Engage each student

- A. Teach the standards through the lens of the **4 C's** (with particular focus on communication and collaboration).
- B. Implement **Problem-Based Learning units** using the district-wide PBL protocol and appropriate performance rubrics at each school
- C. Identify and nurture problem-based **partnerships with the community** and beyond for planning and evaluating real world solutions.
- D. Implement **global awareness** recommendations.
- E. Continue **Positive Behavior Instructional Support** program at each school.
- F. Continue to address **discipline disproportionality**.
- G. Implement district-wide program to prevent **bullying**.
- H. Implement updated lockdown and **crisis plan procedures**.
- I. Implement approved **technology plan**.
- J. Provide professional development and support for teachers on **the SAMR model for integrating technology** and other identified needs based on staff surveys.
- K. Implement support for **new Chromebook devices** at AHS. Redistribute AHS laptops as needed throughout the district.

### 2. Assess for learning

- A. Determine how to **systematically capture and share student data** at the classroom, school and district levels as it is collected to inform instruction and intervention.

- B. Develop an **online platform for sharing common assessments** linked to curriculum standards and units.

### 3. Improve achievement

- A. Share newly developed district literacy plan with teachers and staff and provide professional development aligned with the plan.
- B. Pilot **consistent phonics instructional approach** in pre-kindergarten and kindergarten classrooms at each school site.
