## AHS Students Earn Golden LEAF Scholarships

Sierra McNair and Evelyn Garcia-Lopez have been awarded Golden LEAF scholarships in the amount of \$12,000 each. Way to go ladies!

## Second Annual NAMS Banquet of Excellence

The "house" was packed once again with students who have demonstrated excellence in academics, attendance, and behavior for the annual NAMS Banquet of Excellence. Families were invited and the Randolph Jazz Band provided entertainment for the evening.

## McCrary Partners with Habitat for Humanity

The McCrary School family enjoyed giving back with Habitat for Humanity for a Mustang family on Saturday, May 20. McCrary students, their families, and teachers stucco'd the house's foundation; painted lattice, rails, and a porch; spread gravel and mulch; created a rock boundary and overall enjoyed the time together. This was the fifth year working with Habitat for Humanity - a continuation of the annual Doghouse Build Project that took place earlier in the school year. This partnership began when Mr. Watson and Ms. Bidwell dreamed big for their Teacher Leadership Academy project.

## Fun Field Day at McCrary

CWM K-2 and 3-5 field days were a blast! Everyone enjoyed the extra physical activity! Students said the best part was the camaraderie they felt with their classmates, teachers, and schoolmates! A special thank you to Mr. Watson for organizing another great event, the PTO for sponsoring, and Ms. Boswell for helping each class with their flag!

## McKaughn Speaks to NAMS Students

Delaney McCaughn, former NAMS student and current AHS student, is the reigning Ms. Randolph County Outstanding Teen. She spoke to NAMS 6th grade girls on May 23rd about the importance of leadership and being a lady.
