

## ASHEBORO HIGH SCHOOL ATHLETIC POLICIES

### PHILOSOPHY

Interscholastic athletics is a co-curricular activity and is an integral part of the educational process for the student athletes. Athletics teaches life skills including responsibility, accountability, team building, fair play and determination.

The Asheboro City School system emphasizes academic accountability and fair play. It promotes attitudes and practices that keep winning in perspective and discourages activities that would be considered unsportsmanlike.

It is the belief of the Asheboro City School system that all students should have the opportunity to participate in competitive athletics.

### CITIZENSHIP/SPORTSMANSHIP

To become a team member, an individual must learn to work with others to promote responsibility and obligation for his/her actions. You are a special person when you are chosen as a member of the Blue Comets. We are students first, athletes second. **Everything you do at school, in the community, and at rival schools is noticed and judged. You are a role model and a spokesperson for the community and school system.**

The conduct of an athlete in uniform is fully covered in **the rules and regulations of the North Carolina High School Athletic Association**. Responsibility for the enforcement of all regulations and rules rests with the principal, the coach, the student activities coordinator, and the Asheboro City School system.

### STUDENT/ATHLETE BEHAVIORAL MANAGEMENT PLAN

Asheboro High School will adhere to the **Asheboro City Schools Student Code of Conduct**, which is provided to each student upon entry to school each fall. See this document for board policies. Rule violations and major infractions will be dealt with by the **Asheboro High School Student Behavior Management Plan** adopted by the Asheboro City School system.

We are committed to providing a quality extra-curricular program designed to be an extension of the academic classroom. We strive to ensure that the student-athlete enjoys the numerous physical and emotional benefits of athletics while showing good sportsmanship through participation.
