Special Recognition and Presentations

Community Partner Spotlight: Leigh Anna Marbert, Public Information Officer, recognized Mr. Kelvin McComb of the Watch D.O.G.S. program. Mr. McComb serves as a positive role model for a number of students at Guy B. Teachey Elementary School. He has lunch with students, helps in the car-rider line, and assists Ms. Day in making morning announcements.

Board Spotlight: Students and teachers from Guy B. Teachey Elementary School shared information regarding the Polar Bear Club, an after-school club focusing on sustainability at the school. The student-led group tied for second place in the nation in the **2017 Project Polar Bear Contest**, a five-month-long competition that challenges teams of young people to design and carry out long-lasting community projects that reduce CO₂. The Polar Bear Club expanded the recycling program at Teachey, created videos to be aired during the school's news broadcast, taught students about what can be recycled, and how doing small things can make a big environmental impact. The team also planted herb windowsill greenhouses. The Teachey Tigers plan to build a backyard habitat using repurposed materials.

Principal of the Year: Superintendent Terry Worrell recognized Julie Brady, Principal of Charles W. McCrary Elementary. Ms. Brady was selected by her peers as the 2017 Principal of the Year for Asheboro City Schools.

Special Recognition: Superintendent Worrell recognized Jeni Martin Johnson, outgoing board member, and thanked her for her service and support of the Board of Education over the past two years.
